## SATURDAY 31<sup>st</sup> October

### U11/U10 ISAC Football Boys/Girls CHAMPIONSHIPS @DCB

What a fantastic U11 ISAC football tournament today for all of our teams. We have a beautiful day to play in and all teams were very successful. Our U10 Yr5 girls game 4th in their group playing against U11 teams. Our U11 girls game 1st in their group, in their final game the girls won first place by scoring a golden goal in extra time. This was a very exciting end to their tournament. The U10 boys dominated their games, by winning every game in their round robin games. They came 1st place and also won the sportsmanship award. And the final game of the day was the U11 boys who won their dramatic final coming 1st place also, with Maurice the BSB goalkeeper scoring the winning goal in the final from his end of the field. The games were all very exciting and the level of play was exceptional. We were lucky to have lots of enthusiastic parent supporters at the tournament today, which encouraged the players to deliver some excellent results.
