

Dear Parents

This letter has been sent home to inform you about your child's learning for **next week**.

In **Literacy**, we will be reading 'Just So Stories' and learning about subordinate and relative clauses within our writing.

In **Numeracy**, we will be learning to add and subtract large numbers.

In **Science**, we will be making our own kaleidoscope.

Our **IPC**, we will be learning more about our world. We will be researching different habitats and using iPads to record our research, in the form of a documentary.

In **ICT**, we will be starting our new topic 'Game Developers'. We will be talking about our favourite online games and what software we would need to use to create one.

In **PSHE**, we will be learning about people who help us.

For **Spellings**, students will receive their spelling lists every week and will be tested on the list on the same day, the following week. Please see student's timetables to see when they have spellings. Students will have 11 words to learn during the course of the week.

## Notice & Reminders:

- Please remember to check your child's Communication Book daily.
- Please remember to like our Facebook page (Year 5) for updates from the Year group.

Yours faithfully

Year 5 Team
