IGCSE - International General Certificate of Secondary Education

Welcome to Nord Anglia International School!

Championing an ambitious education and believing that there are no limits to what our students can achieve for themselves and for others.

We offer premium quality British style education that broadly follows the English National Curriculum from Early Years Foundation Stage 1 to Year 11 followed by the IB Diploma Programme in Years 12 and 13, that is delivered by outstanding teachers, in a warm and engaging environment.

NAS Dubai promotes equal opportunities, we apply our regulations fairly and without prejudice.

We invite all prospective parents to make an appointment with our Admissions Office to take the time to visit our school and learn about our programmes. We offer personalised tours of our school and opportunity to discuss the educational needs of the applicants.

We consider each application individually, taking into account academic ability, behaviour and additional learning needs. NAS Dubai fosters a strong community with high academic aspirations for all its students, is committed to inclusive education and has an excellent pastoral care.

At NAS Dubai we offer inclusive mainstream curriculum with additional support, intervention, differentiation and personalization where necessary, and is appropriately linked to our learner profile which is one that is open minded, caring, risk taker, communicator, inquirer, principled, thinker, knowledgeable, balanced and reflective.

The School conscientiously makes the best use of the curriculum materials and approaches available to it as it differentiates to serve the diverse needs of its international students.

The application process starts when the Application Form together with two most recent school reports (and a confidential recommendation from the student's current school for overseas applications) are submitted to the Admissions department for review. Invitation for a formal entrance assessment and interviews with senior members of staff that may include the Director of Admissions, Head of Primary, Head of Secondary, SENCO and/or Principal, will be sent to all who apply for admission to NAS Dubai.

For overseas students, entrance assessment may take place at the students current school subject to schools agreement.

Parents, guardians and/or any persons with parental responsibility for the student are asked to sign the relevant section of the Application form in recognition of their acceptance of the School's terms and conditions.

Special Educational Needs and Disabilities (SEND)

Our school welcomes applications from all students, including those with Special Educational Needs and Disabilities (SEND).

We are committed to personalising the learning for all of our students and seek to deliver a curriculum that, in addition to being balanced and relevant, is planned so that all students are supported to achieve their full academic potential, and prepares them for the future. We are dedicated in the development of personal, emotional and social skills allowing all our students to make a successful transition into adulthood as well-rounded individuals.

Our school has a special educational needs and disabilities (SEND) policy that reflects the provision available. Students identified as having SEND are supported by our Personalised Learning Team, who ensure every student is able to access the curriculum through personalised adaptations and modifications, where necessary.

The Personalised Learning Team closely liaises with the Admissions Team in order to support the prospective families of students with SEND and accommodate the necessary provisions for the admissions process. Our open door policy allows us to have a personalised approach to admissions, enabling families to have an opportunity to discuss all needs and requirements prior to enrolment. Parents are requested to ensure that any special educational requirements have been fully disclosed and discussed at the time of application.
