

BSG's Parent Support Group

We care. We support. We Volunteer.

An Introduction

At the British School of Guangzhou, both school and parents recognise that parent supporters can play an important role in the success of any child's education. This includes effective and strong collaboration between our school and parents which we believe is an essential foundation to help instil and reinforce positive values and attitudes within the BSG community.

Who are the PPSG?

The Primary Parent Support Group (PPSG) is a group of BSG parents with children attending the Primary School (Years 1 to 6). We volunteer our time, services, expertise and experiences to the school in support of all children who attend.

What are our Objectives?

- To provide opportunities for parents to be involved in school activities and programs.
- To tap into expertise of parents for the mutual benefit of all in our community.
- To foster greater bonds between school and parents.
- To foster a positive school environment.
- To give students a sense of pride as they witness their parents' involvement in the school.
- Proceeds from funds raised by PPSG go towards projects for students, teachers and our greater community within Guangzhou.

Events or Activities

PPSG members organise or provide support for many school events each year:

- Refreshment stalls for Sports Days and Swimming Galas.
- Helping to provide parent volunteers for Bake Sales.
- Creating costumes for school assemblies, plays and other productions.
- Organising a Halloween and other parties.
- Children's Day treats for all Primary students to enjoy.
- Coffee mornings for parents.
- Some PPSG members also volunteer their time to the 'Reading Support' programme in school. This helps children with reading, providing opportunities for children to read to adults that will give confidence and further practice as they develop this important skill.
- Much more goes on and we hope to build on this and grow each year.

Be Part of Your PPSG

Parental involvement is extremely important. It not only ensures that we have the people power necessary to put on or support school activities but also helps build strong bonds between our school and parents.

Involving as many parents as possible to help create a positive school environment will definitely make our school a better place. If you are interested in getting involved, need more information or would like to provide suggestions, please feel free to email us at PPSG@bsg.org.cn.
