Student Expectations

For our students to represent BSG, we request the following points are adhered to. This will ensure that consistency of standards are clearly ingrained in our individuals and teams to ensure the best possible performances are achieved.

- Train with commitment and dedication, in order to the best that you can be, for the activity during the designated ASA activity slot and any lunchtime practices that are put on.
- Wear full and correct PE kit when in ASA's and also to attend fixtures. This includes white socks and bringing appropriate footwear.
- Return any communication promptly to the PE Department so that arrangements can be made for the team selection and transportation.
- When competing, play with passion and commitment but win or lose with dignity and integrity!
- Behave in a manner becoming of a BSG student.
- Failure to adhere to any of the above points may result in non-selection of fixtures.

“Sport is so important because it encourages children to be active, lead a healthy lifestyle, make friends and, of course, have fun. But quality school sport has benefits that spread right across the curriculum and beyond – it develops confidence and a sense of achievement, it teaches young people how to rise to a challenge, and nurtures the character and skills that will help them get on and succeed in life.” **David Cameron, UK Prime Minister**

Parent Expectations

Parental support is essential for our student’s development. We encourage all parents to watch and support their child play in sport. However, at times it is easy to become over-enthusiastic and involved in the game.

As a result the expectations that we request from parents are:

- Respect and support the teachers/coaches that are present.
- Respect and support the decisions of the match officials.
- Display good sportsmanship and appreciation to all players regardless of the team they represent.
- Keep all comments positive and encouraging!
- Failure to adhere to any of the points above may result in parents being asked to leave the playing area.
