Why choose

A Nord Anglia Education?

Be Ambitious

Our family of schools is united by a common philosophy – to be ambitious. We believe that there is no limit to what our students, our people and our communities can achieve. We encourage your child to set their sights higher by fostering a global perspective and our schools' personalised approach to learning combined with opportunities beyond the ordinary helps every child to succeed, thrive and love learning.

Success for every student

Our students achieve outstanding academic results, with one in three going on to attend the world's top 100 universities.

And academic success is just the beginning. Our schools' will nurture your child's talents so that they can succeed in every aspect of their education, from sports to arts, languages to technology. We nurture social and personal skills to prepare them for life after school. We encourage every student to love learning, to try something new, and, above all, to be ambitious.

Global Campus

Your child may be based in one school, but they'll learn on our Global Campus every day. As part of our global community, we enrich your child's learning experience online, in school and worldwide. From online debates and challenges, to expeditions to the savannah of Tanzania or performing in our Global Orchestra in New York, our Global Campus connects our students around the world to learn together every day.

Personalised Learning

Small class sizes mean our teachers know every child individually and can respond to your child's strengths, adapting our learning model to help them overcome challenges. Our teachers will inspire your child to be ambitious in their learning, encouraging them to try new things and nurturing skills and talents for academic, social and personal success.

Learn from the best

We know the difference that great teaching makes to your child's success at school. That's why we have developed a unique approach to teacher recruitment, training and support that ensures your child learns from the best.

We partner with world-leading organisations to ensure that our curricula and initiatives are second to none. For example, our music curriculum is developed in collaboration with the world-renowned Juilliard School and is designed to nurture transferable skills to benefit all their studies, as well as inspire musical talent.

And our commitment to quality extends throughout every aspect of our approach. Our dedicated Education Team work with our schools to drive a comprehensive continuous improvement programme to ensure that your child receives the best possible education, every day.

About Us

Nord Anglia Education is the world's leading premium schools organisation. We are a global family of schools driven by one unifying philosophy; to be ambitious for our students, our people and our schools.

We want every child who attends a Nord Anglia school to achieve more than they may have imagined possible. We do this by ensuring the education our schools offer is second to none. We recruit the finest teachers and leverage our scale as a family to develop unique collaborations with world-leading organisations, so that every student learns from the best. This, combined with our personalised approach to learning enhanced with unique global opportunities, equips every student to succeed academically, socially and personally.

Our schools are amongst the most respected international schools in their locations and we are committed to ensuring that they remain the first choice for families around the world.

Be Ambitious
