

22 September 2015

Dear All,

Firstly, may I take this opportunity to apologise for the late notice with regards to the school closure dates for the Eid al-Adha celebrations. Schools in Qatar were all waiting for a confirmation of the dates and as soon as these were known, we informed everyone.

There will be no formal School Newsletter this week. However, we wanted to communicate some of the exciting events in school in the coming weeks.

Extra Curricular Activities [ECAs]

Compass International School Madinat Khalifa will re-open on Wednesday 30 September when ECAs will commence. If you have signed up for an ECA not provided by our staff at Madinat Khalifa, please re-confirm the start date with your external provider.

Succeeding at International Baccalaureate

This academic information evening is for all our International Baccalaureate [IB] students and their parents to find out relevant information for a successful year.

This session will give informal advice and tips regarding the structure of the courses and skills required, alongside an opportunity to share experiences from students and current members of staff to help our students enjoy a successful year.

We very much look forward to seeing all IB students and their parents **on Wednesday 30 September at 5.30pm in the IB Suite.**

Primary Parent English Seminar

We invite parents to come along to a presentation on the English Teaching Programme at Madinat Khalifa. At this session, we will provide you with information about how you can support your child at home.

We will place the materials used in this seminar on the school website for those who cannot attend. The presentation will take place on **Thursday 1st October from 12.30pm – 1.30pm in the Sports Hall.**

May I take this opportunity to wish you all 'Eid Mubarak'

Kind regards,

Dr Terry Creissen OBE
Principal
