LIONS SPORT

at Regents International School Pattaya

SPORTS OPTIONS

CURRENTLY, WE HAVE LIONS SQUADS IN THE FOLLOWING SPORTS:

Swimming
Football
Basketball
Golf
Volleyball (U15 & Seniors only)
Badminton (U13 & U15s only)
Athletics (U13 & U15s only)

Training

To improve in sport takes time, so our Lions squads train once per week through the year. Once enrolled, Lions are expected to commit for one academic year and to attend training regularly. Ideally, students will commit for longer.

There will also be opportunities to play competitive sport against other schools for those who are ready for a more pressured sports experience. Our aim as coaches is to prepare our Lions for these opportunities and our training focusses on the specific elements of development for young athletes, including the physical, mental and tactical pillars of performance.

AGES

Our sports teams are called the Lions. Students can train for competitive opportunities in several different sports according to their age.

These ages are as follows:

Under 9
– Years 3 and 4

Under 11
– Years 5 and 6

Under 13
– Years 7 and 8

Under 15
– Years 9 and 10

SENIORS
– Years 11 and 13

(A student can participate in the category for their Year if they are born on or after 1 August. So a student in Year 4 is Under 9 if they turn 9 years of age on or after 1 August 2022. They are still Under 9 throughout Year 4, even though they are now 9 years of age).

LIONS KIT

WE HAVE LIONS KIT FOR EACH SQUAD AND OUR LIONS ARE REQUIRED TO PURCHASE WHAT IS NECESSARY IN ORDER FOR THEM TO TRAIN AND TO REPRESENT REGENTS WHEN THEY ARE READY.

We expect this kit to last a few years, so it's not necessary to buy it often. However, each sport requires different kit that is specifically designed for that sport.

There is a process for ordering Lions kit, as it is not currently available in the school shop. Lions will be notified of when to order once squads are established.

Registration

There will be a registration period at the start of the year. Primary parents should complete the online form sent via email. For Secondary students, we expect the students to enter themselves.

If students wish to join later in the year, they simply need to speak with Mr. Ollie. Our squads are open throughout the year. However, we'd expect students starting the academic year to join at the start, rather than wait.

Places are limited, but we aim to take as many students as we can reasonably accommodate in each squad. If subscriptions for a particular squad are very high, then we may need to trial students, in which case, we will select students with ability appropriate to their age and/or who show passion and potential for improvement. Competitive sport is not for everyone, and we use our knowledge of students and professional judgement to make our assessments at trial.

FOBISIA Games

One of our major sports events each year is the FOBISIA Games, with students competing in Swimming, Football, Basketball (Secondary), Teeball (Primary) and Athletics.

We hope that our Lions will strive to be included in this prestigious opportunity and we expect them to be available if selected. There is additional cost involved, as this is a 5-day event.

Contact Director of Sport

There will always be many questions that you may have about our programme, so please don't hesitate to ask! You may contact Mr. Ollie (oliver.farley@regents-pattaya.co.th) anytime with your query.

Please read the accompanying documents (Sport Options by Age and Sports Available to Regents Lions) with more details for each sport available.

Thank you.

If you have any questions regarding CHQ, please contact Mrs Hannah –
Hannah.Naowasuk@regents_pattaya.co.th
