

Remembrance Visual Arts Competition

SungWon (8V) (Key Stage 3 winner)

Ms Williams, Head of Art and Head Judge commented: “Wow, what a piece of artwork! I was speechless at this image. I particularly loved the conceptual and the technical aspects of the image... There were fabulous connections made throughout. I loved the handling of watercolours with some very precise details... The contrast of colours was also beautiful. I can see a great understanding of the use of complementary colours here! I’m going to print this out and it will be displayed in the school with prominence! Well done, SungWon!”

Hannah (Year 11, Key Stage 4 winner)

Ms Griffin, Teacher of History and also a judge, commented: *“We wanted to congratulate Hannah. As Hannah’s History teacher, I was blown away by the emotion shown in this image. It clearly encapsulates the elements of sacrifice, integral to Remembrance Day. I thought this was not only a poignant image but a beautiful one. What a stunning entry! Well done, Hannah!”*

Runners-up in the Visual Arts Competition were **An An** and **Dila** in Year 8 with a tremendous effort.
