

### REGENTS SUMMER SCHOOL

Are your children ready to become Explorers, Voyagers and Pioneers? For three weeks over the summer holidays, children of all ages and nationalities will be enjoying a range of adventures and activities organised by the professional education team at Regents International School Pattaya.

### EXPERT ENGLISH TUITION

Children with limited or no English have the option of receiving specialist English as an Additional Language (EAL) tuition alongside the other activities, so that having fun goes hand-in-hand with learning English! Each day, students will enjoy up to three hours of expert EAL tuition (Voyager and Pioneer age groups only) in the mornings and then join their fellow students for activities in the afternoon.
