Nurturing Ambition - Celebrating Diversity

COVID-19 Update

Friday, 14th February 2020

Dear Parents,

Our Incident Response Team met this morning. In addition to the regular update I have also made a video message which can be found here:

- We will continue to monitor the virus response over the half term holiday
- Assuming there are no further instructions from the Singapore Government we will restart ECAs after half term and review other events such as audiences for assemblies
- We will continue to restrict Parent Meetings involving large numbers to control the number of people on site

- We ask you to continue to monitor your child's health and temperature each morning
- We are screening students, staff, parents and visitors as they arrive and staff and younger children a second time each day but this is in addition to your own checks

We will send an email out on Monday 24th February to confirm any further changes.

I hope you have a pleasant half term holiday.

Best wishes,

Christopher Short
