GLOBAL GAMES
The Americas, 2019

Challenge Your *Limits*

Your child will be aiming high as they compete against students from across the Americas Region at the 2019 Nord Anglia Education Global Games, The Americas.

The Global Games is a five-day, multi-sport event that unites middle school age children from Nord Anglia Education's 14 schools located in America, Mexico, Central and South America. Held at Windermere Preparatory School near Orlando, Florida, this is a fun, competitive, and action-packed event where your child will have the opportunity to go for the gold in a variety of sports.

- Archery
- Basketball
- Flag Football
- Sand Volleyball (4x4)
- Soccer
- Swimming*
- Tennis (Doubles)
- Track and Field*
- Girls Volleyball

We encourage athletes to compete in as many sports as they wish. There are no tryouts at the school level nor is experience necessary. Athletes from smaller schools may join larger school teams. The Global Games is as much about sportsmanship and teamwork as it is about challenging excellence.

For schools in Florida, we will arrange coach buses from your child's school to and from the hotel.

Coaches/Chaperones

Your child's safety is our highest priority. Throughout the Global Games, your child will be assigned a chaperone to ensure that your child is supervised. Chaperones are required to attend the entire week of the Global Games. Each chaperone will be assigned ten students to oversee during the entire week. Chaperones are appointed by the Athletic Director of each school. Only school staff may chaperone.
