Be Ambitious Be Regents

Welcome to Boarding

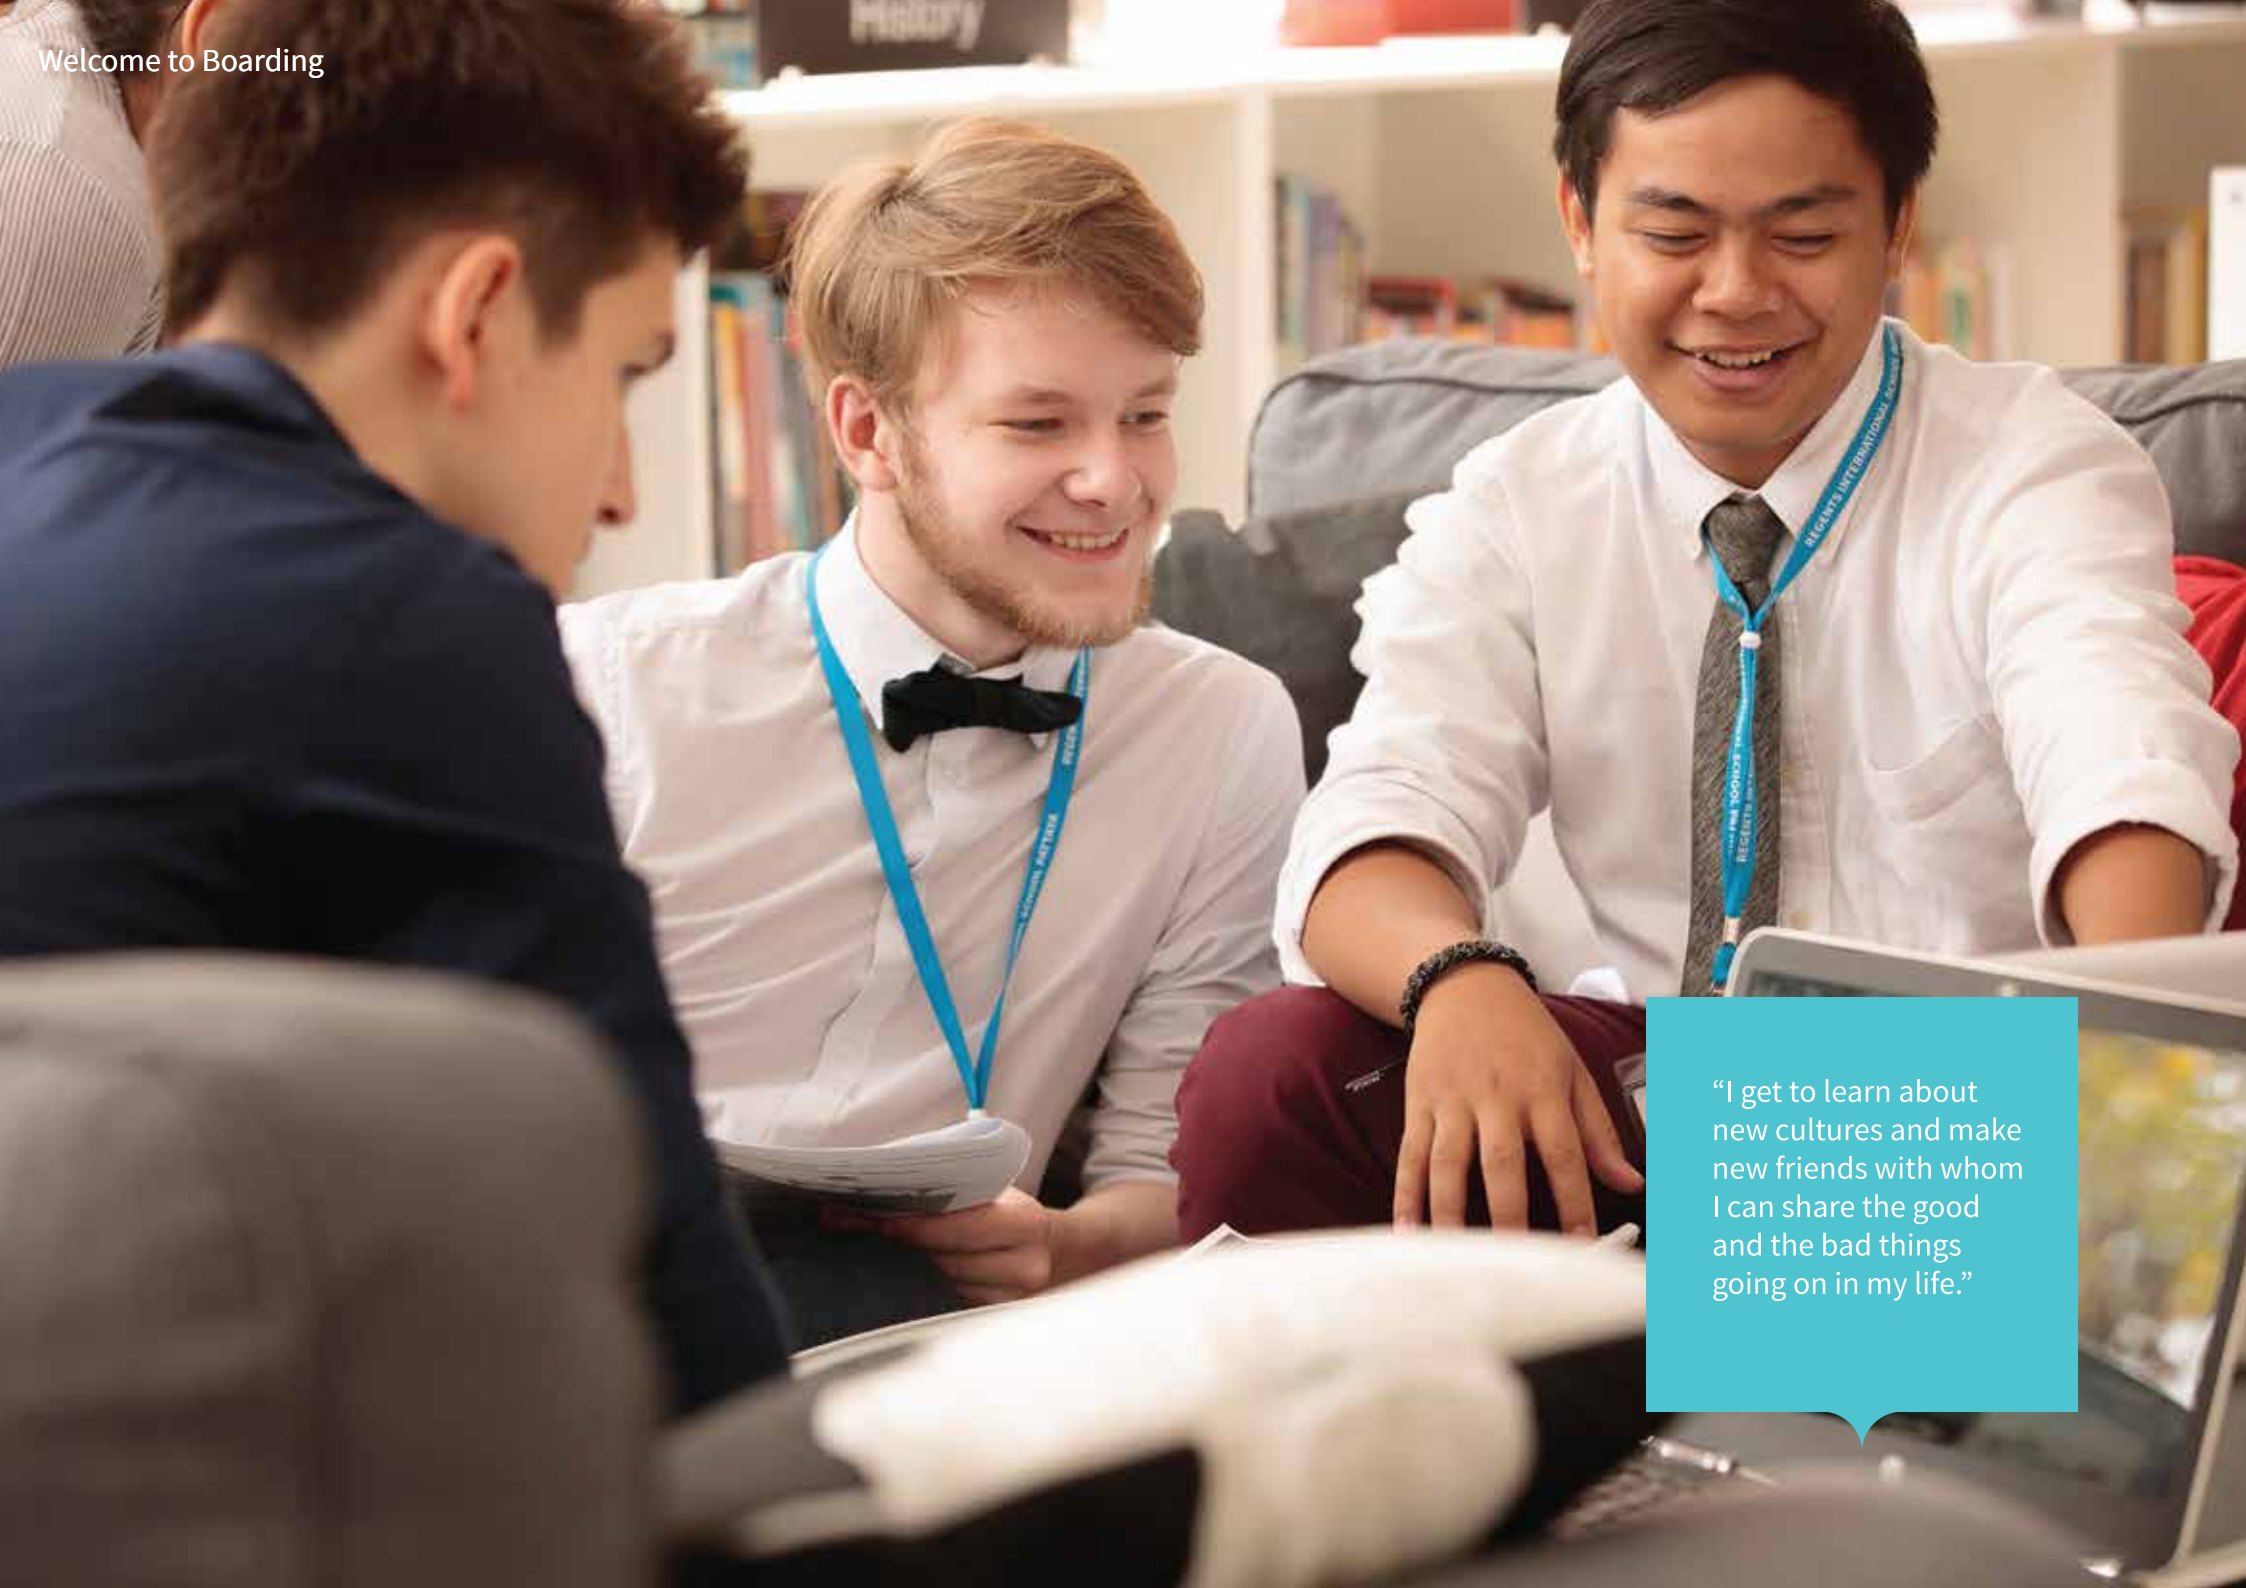

76 premium schools in 31 countries

More than 67,000 students

More than 14,000 teachers and support staff globally

“I get to learn about new cultures and make new friends with whom I can share the good and the bad things going on in my life.”

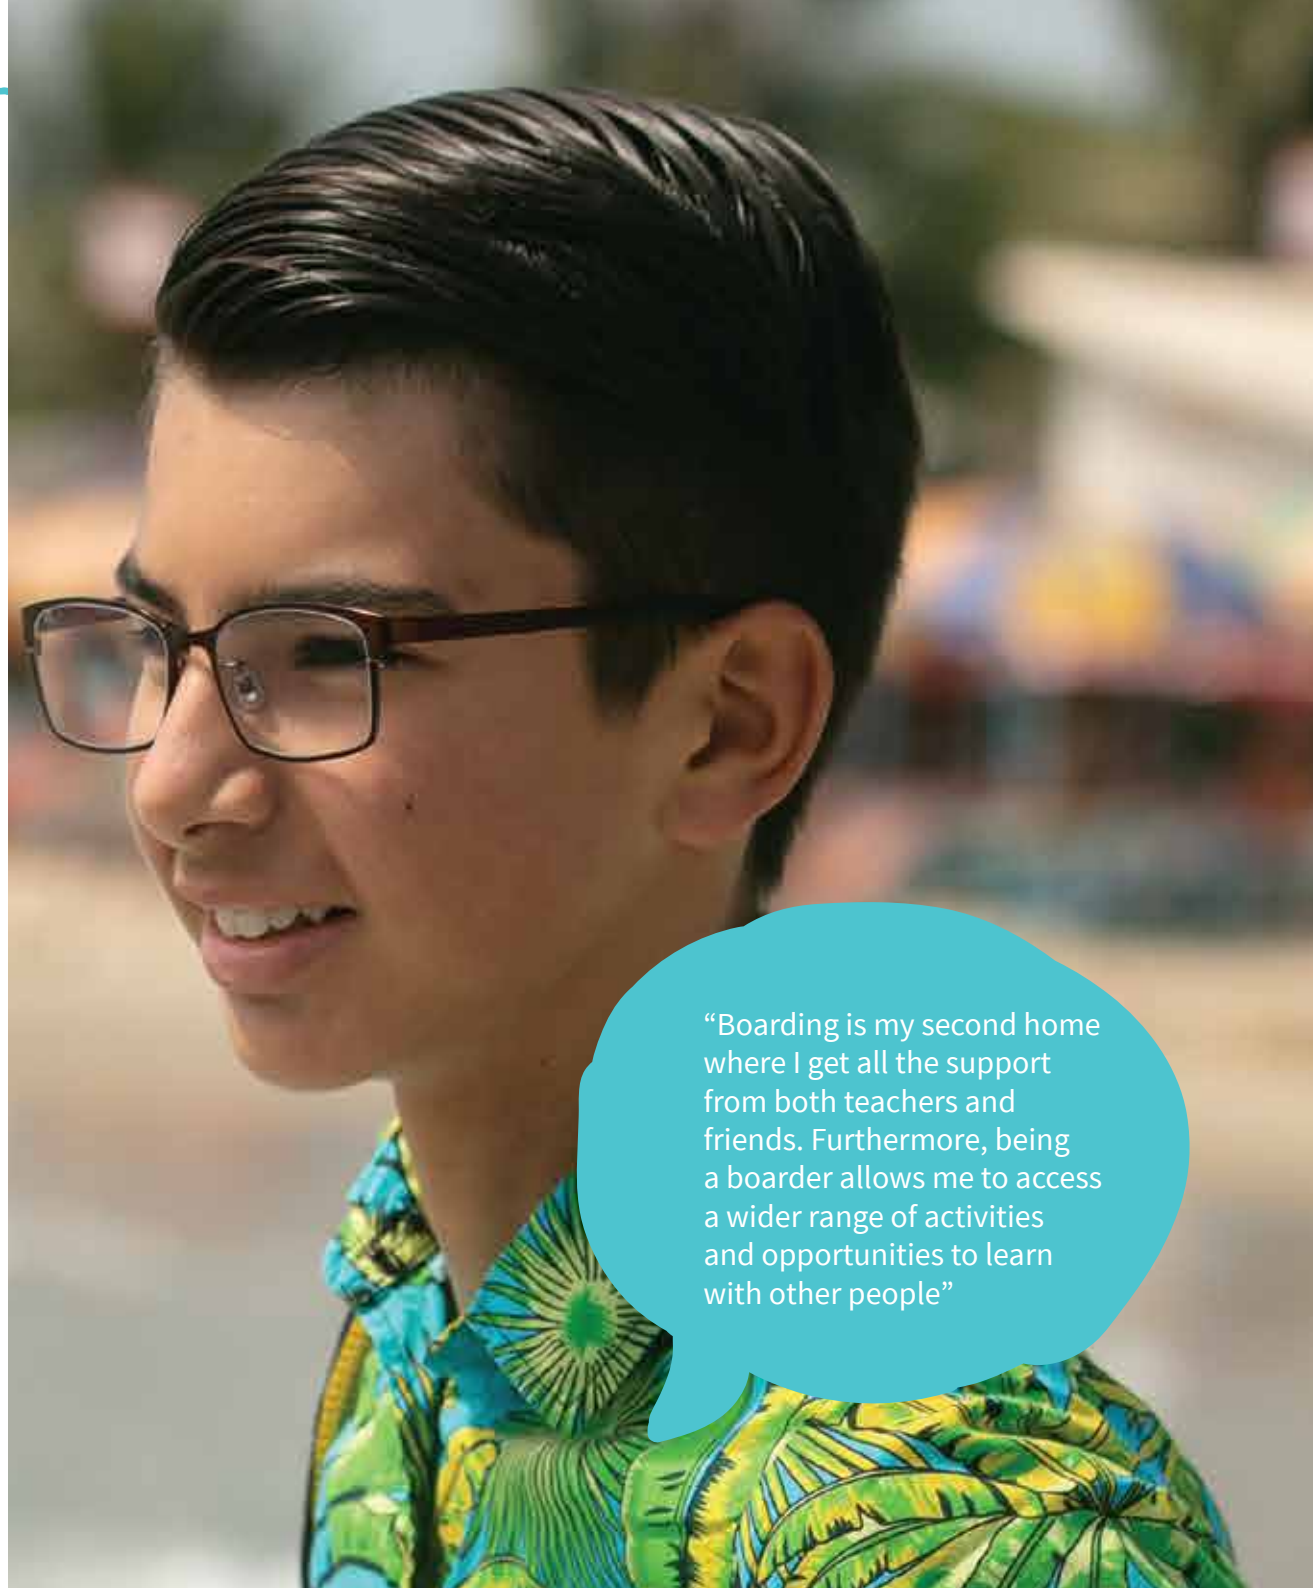

About Nord Anglia Education

Nord Anglia Education is the world's leading premium schools organisation, with campuses located across 30 countries in the Americas, Europe, China, India, Southeast Asia and the Middle East. Together, our 73 schools educate more than 67,000 students from kindergarten through to the end of secondary / high school. We are driven by one unifying philosophy: we are ambitious for our schools, students, teachers, staff and communities, and we inspire every child who attends a Nord Anglia Education school to achieve more than they ever imagined possible.

Every parent wants the best for their child — so do we. Nord Anglia Education schools deliver high quality, transformational education and ensure excellent academic outcomes by going beyond traditional learning. Our global scale enables us to recruit and retain world-leading teachers and to offer unforgettable experiences through global and regional events, while our engaging learning environments ensure all of our students love coming to school.

“Boarding is my second home where I get all the support from both teachers and friends. Furthermore, being a boarder allows me to access a wider range of activities and opportunities to learn with other people”

Welcome to Boarding

Hello!

Our boarding community offers a safe, happy and caring family where guidance and friendship are readily available 24/7.

“Boarding is a rewarding and fulfilling experience for us all. Our girls study hard and benefit from the additional academic support we can provide. Elizabeth house is always a busy place with a warm, supportive and caring atmosphere. I look forward to welcoming you here at Regents very soon.”

Laura Cook
Head of Girls' Boarding

“St George’s is a warm and welcoming home away from home. Our boys work hard, but they enjoy playing table tennis, chess, cooking, watching TV, playing sports and taking part in all the many other activities on offer during their free time. I look forward to meeting you and I am excited for you to start your boarding journey here at Regents!”

Emma Jenkins
Head of Boys' Boarding

Boarding at Regents

Families choose boarding for many different reasons and it can provide a pathway to great success for your child.

Vital for English language development. They will establish strong friendships and the language fluency that comes with being part of a close knit and caring community.

Additional study time with our specialist teachers has a positive impact on academic performance. Our boarders do not waste any time travelling to and from school.

Easy access to some fantastic activities for weekend trips and to the excellent sporting facilities at the school throughout the week.

All of these fantastic facilities are available to our boarders during the evenings and at weekends:

- Astro turf all weather pitch
- Air conditioned Sports Hall
- Swimming pool
- 400m athletics track
- Fitness suite
- Music department
- Art studios

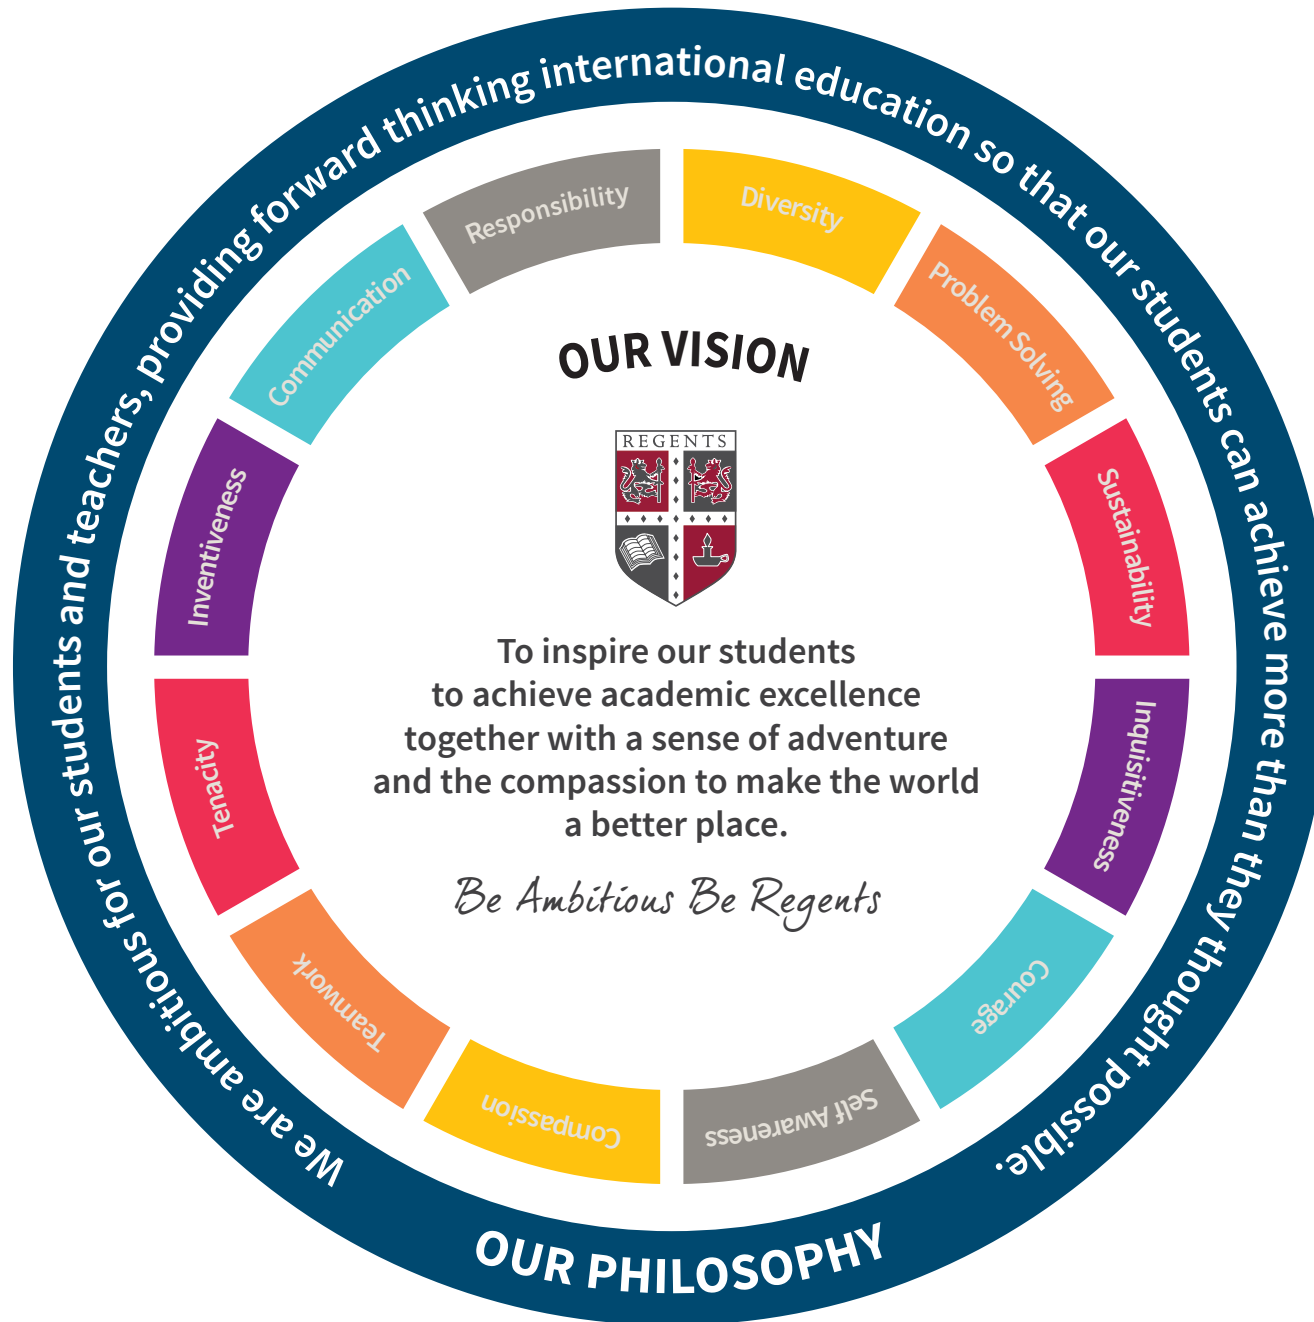

Regents has a well-established boarding community in beautiful surroundings, well away from the busy streets and pollution of Bangkok, yet still within easy reach of the main airport. We are ideally placed to offer fantastic imaginative supervised trips at weekends and our sporting facilities provide excellent opportunities after homework is complete each evening. Our boarders are encouraged to work hard and to play hard – whilst they will be encouraged towards independence they will also know that they have our staff’s full support as they grow.

“I like boarding because I get to spend time with my friends and learn to be more organised and responsible.”

Philosophy and Values

We are proud of our boarding students at Regents International School Pattaya because they go on to the top universities around the world and have successful careers, but more importantly they have a social conscience to work with their community and always give back.

Welcome to Boarding

Boarding Options

We take boarders from 8 to 18 years old and provide many flexible options to suit your family.

Occasional Boarding – if you need to travel and don't want to interrupt your child's study, they can board with us for a short time. This can also be a good option if you want to give your child additional prep time before exams.

Part-Time Boarding – your child can board with us during the week and then go home to spend time with their family at the weekend.

Full-Time Boarding – your child can board with us during term time and go home for the school holidays.

If you would like to try boarding as an option for your child, we can also arrange for a taster session.

Primary Boarders (age 8 to 11)

Girls and boys are in separate houses with their own House parents, who ensure there is a family feel where your child is cared for as they develop their confidence and independence.

The large spacious bedrooms are shared by up to three children who each have their own wardrobe, desk and bedside drawers.

Senior Boarders (age 11 to 18)

The highest achievers in IBDP and IGCSE consistently come from a background of boarding and this was true again in 2021. With additional, supported study time and English as the shared language, boarding is the perfect place to quickly develop conversational and writing skills. It is also a time to develop confidence and independence in preparation for university life.

Girls and boys are in separate houses with their own House parents who live on site. Our older students share a large bedroom with one other student or, for our IBDP students where quiet study time is essential, we provide single rooms. All students have their own wardrobe, desk and bedside drawers.

Welcome to Boarding

Boarding Life

We encourage our children to make their bedroom feel like home by bringing their own duvets, posters or décor. We provide a new mattress and bedding for every boarder.

There are dedicated social areas for getting together with friends, having a snack, playing games, ping pong, pool or a little TV in the evenings, once study time has finished. All meals are provided on site and are both delicious and healthy. Mealtimes are a very social time when all of the boarders and house parents get together.

There is also access to the school's sports facilities for football, badminton, basketball and swimming and to our music department.

Staying in touch is easy either through mobile phone or email. Each boarding house has computers linked to the school network. The students have plenty of access to their devices, but to ensure responsible usage this may be limited during prep time, activity hours, or overnight, depending on year group.

Boarding Guardians

For boarders whose parents live more than two hours away from school, a local guardian will need to be appointed who can provide support and emergency care if the need arises. All boarding students must have their own medical insurance.

Weekend Activities

We have an outstanding programme of weekend events which will keep students active and engaged. Our location gives easy access to many fantastic activities including shopping, cultural sites, beaches and water sports.

Welcome to Boarding

Our Facilities

Our school is located in a beautiful, rural area, surrounded by palm trees, just a 90-minute drive from Bangkok International Airport.

We have four main buildings each dedicated to a different area of the school: Early Primary; the Primary School; the Secondary School; and a newly-refurbished IBDP Centre. Boarding has separate buildings for girls' boarding and boys' boarding.

There is a dedicated playground, swimming pool and canteen for our Early Primary students and our Primary students also have their own playground with access to all of the other school facilities. In addition to our well-equipped classrooms the school has:

- Indoor air-conditioned double size sports hall
- Undercover, all weather astro-turf playing field
- Two outdoor swimming pools
- 400m running track and huge all grass football pitch at the centre of the school
- Fully equipped science labs
- Newly refurbished music centre with sound studio
- 300 seat theatre and two drama studios
- Three on-site kitchens, where school food is freshly prepared daily for breakfast, lunch and dinner.
- A popular alfresco café, serving a range of healthy drinks and snacks throughout the day for students, teachers and parents
- New art studio, newly refurbished DT room and new drama studios

We would be delighted to give you a tour of our school and boarding houses. Contact our Admissions team to arrange for a visit or to help you with any questions you may have.
