The university adviser

- Offer support to students when they are choosing their courses and universities
- Help the students to find information
- Support the students in writing their personal statement
- Collect references from the tutors
- Track the progress of the students' applications
- Help to resolve any university related issues

What can parents do?

- Get educated. Visit websites where free information is available

- Help maintain schedules regarding application deadlines

- Work on the financial

- Let your child "own" the decision: Remember, it's his life, not yours

- Take a close look at your child's applications before they are submitted

Parents shouldn't...

- ✗ *Impose their own beliefs about what college should be*
- ✗ *Stress and remain realistic about the child's college choices*
- ✗ *Write their college essay writing*
- ✗ *Let your child "own" the decision: Remember, it's his life, not yours*
