

## Tanzania Expedition Fundraiser

Patrick (Year 10) is a published author and student at DCIS. In November he and a group of students will be going to Tanzania as part of a project supporting disadvantaged communities.

To raise funds, Patrick is selling limited-edition, personally-signed copies of his first novel, ***How to Double Cross A Double Crossing Spy***. Only 30 copies will be printed. **Please can all order forms be given to your class teacher to pass to Ms Erin Burk, Room 105.**

All proceeds raised will go directly to projects in the Tanzanian community.
