School Trips & Visits 2019/20

THE BRITISH
INTERNATIONAL SCHOOL
ABU DHABI

Dear Parents/Guardians,

In this document you will be able find details regarding all of the exciting Secondary school trips and visits we are aiming to offer for the Academic Year 2019/2020.

This will enable you and your son or daughter to choose which trips and visits they would like to be part of this year and beyond in order to make the most of the diverse and wonderful experiences we have on offer.

Further details of each of the trips and visits can be found on our school website from September under the tab 'Learning' along with the proposed dates and the name of the trip leader.

Please note: *All costs are approximate at this stage and whilst we hope to run all of the trips listed they are dependent on a minimum number of students attending. Should we not receive the minimum required the trip may be cancelled.*
