**Refunds and Cancellation** - If the student is unable to attend due to illness we will provide a full refund if the summer camp has not yet started, or pro-rata refund if the student has already attended part of the summer camp. We require a doctor's certificate for any refund due to illness.

### Behaviour

- The student will strictly conform to the rules and regulations, policies and instructions of the School and its staff.
- The School may at its absolute discretion require the removal of a Student without notice if he or she has been guilty of serious misconduct. In this event, no claim shall arise for the refund (or reduction) of any portion of any fees already paid (or payable) to the School.

**Medical** - All relevant medical data about the Student must be disclosed on the Summer Camp registration form.

### Restrictions

- Children wearing nappies or needing formula will not be accepted on the Summer Camp.
- Summer Camp may not be suitable for children with special learning needs. In such cases we may need to ask that the child be withdrawn from Summer Camp and you will be given a full refund.
- For children with special learning needs some trips may not be suitable for health and safety reasons and you may be asked to keep your child at home for particular excursions. There will be no refund for this situation.

**Insurance** - If a student has an accident during Summer Camp times (Mon – Fri, 9am to 3pm), parents will be contacted as soon as possible. If we are unable to contact the parents we will arrange for the student to be sent to the Bangkok Pattaya hospital, accompanied by a school staff member or nurse.

- **On Campus** - registered Summer School students are covered by a 24 hour accident insurance policy with Allianz Ayudhya. The insurance limit is 10,000 baht per accident (dental surgery is not covered) and 100,000 baht life insurance. The school will arrange forms to enable the hospital to receive payment directly from Allianz Ayudhya. Parents will be liable only for any charges over and above the 10,000 baht maximum insurance limit, which they will need to pay directly to the hospital.
- **At Home** - if your child has an accident at home, you will need to see a doctor within 24 hours of the accident in order to be able to claim from the insurance company. Please bring the following documentation to the Finance office:
  - Receipt of payment (original receipt)
  - Medical certificate (please ask for this at the hospital)
  - The School will claim with the insurance company and you will be reimbursed by transfer to your bank account, usually within 1 month of the school receiving the correct documentation.
- **During Excursions** - whilst on excursions off campus during Summer School, students will be covered by Chubb travel accident insurance. This covers hospital costs of up to 200,000 baht and life insurance of 500,000 baht per person.

Please note that this policy covers accidents only and not illnesses. Parents are required to claim for all illnesses under their own health policy.

**Emergency** - In the event of an accident or serious illness, if the school has been unable to contact the parent, the School will seek medical treatment for the Student at their complete discretion and the parent must pay all medical fees relating to any treatment.

### Risk

- Participation in sports and other activities has a natural element of risk. The School will carry out risk assessments for activities taking place both inside and outside of School.
- Students attend the Summer Camp at his/her own risk. The School shall not be liable whether in contract, tort or otherwise for any injury that may occur to the Student whilst attending the Summer Camp, or whilst travelling to and from the Summer Camp.
- The School will not be responsible for any loss or damage to the Student's personal belongings.
- Nothing in this agreement limits either party's liability for death or personal injury caused by the negligence of the party or any other liability which cannot by law be excluded or limited.

**Personal Information** - We may place a student's photo, video footage, name or school work in our, or our affiliates', website, social media, marketing materials, corporate communications (including annual reports) or publications.
