Founded in 1982, with just five riders and whole lot of heart – Riding for the Disabled Association of Singapore (RDA) is the only charity locally to provide **free horse-riding therapy for children and adults with disabilities.**

2017 marks the 35<sup>th</sup> anniversary of RDA Singapore. Over these 35 years, more than 6,000 riders have benefitted from our unique form of horse-riding therapy, which in many ways improved their quality of life. We need your support to carry on the good work:

- **80% of our riders achieved improvement in their physical functioning**
- **90% of our riders achieved improvement in their psycho-social functioning**
- **90% of parents, caregivers, teachers & therapists found our programme beneficial**

We hope to raise \$50,000 at this event, please donate generously to help RDA continue to provide, enhance and expand our free therapy program for those with disabilities:

- **Increase the number of riders served per year by 35%**
- **Reduce the average wait time, from 6-9 months to 3-6 months for a slot in the therapy**
- **Acquire additional therapy horses to support the service expansion**

For enquiry, please contact RDA Community Partnership Executive, Karen Lim @ 62500176 or email: [karenlim@rdasingapore.org.sg](mailto:karenlim@rdasingapore.org.sg). The **Donation Form** is attached - we look forward to welcoming you at the event. Thank you.
