

Global Campus Weekly Update

Welcome to the Global Campus update for the week commencing **Monday 1st April**
For any questions or queries, please contact tom.handley@dovercourt.edu.sg

GC News: Global Challenge Success!

Last week, Global Campus Champions and Year 6 Students travelled to Thailand to take part in a range of Community Service projects within the northern region of Udon Thani.

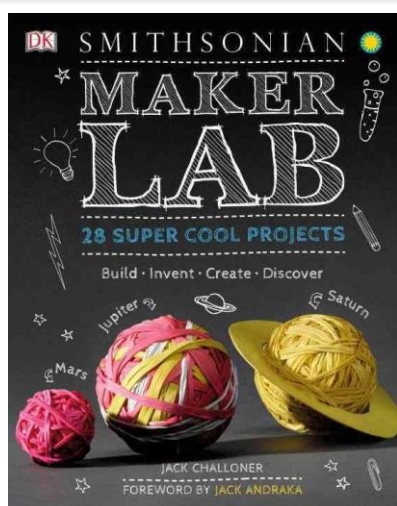

As part of this year's **Global Campus UNICEF 'Global Challenge'**, the students were given the task to design and create an English language game that could be used to support local Thai students with their proficiency in English.

DCIS students visited 5 different schools within the local area and took part in several workshops aimed at supporting local Thai children.

We look forward to sharing more information on the success of this project in the near future.

Our students had a great time taking part in this challenge

STEAM Week and the GC Global Library

Students across the Primary School have enjoyed taking part in a range of fun, creative and engaging activities based around the theme of **'Supernatural'** this week. Many thanks to Mr. Baines for organising and coordinating what was a fantastic week of STEAM success!

If your child is hungry for more STEAM learning at home, check out this **'Maker Lab'** book from the Smithsonian, available as part of the Global Campus **'Global Library'** of books in our Upper Primary School Library.

To do list:

- Check out the 'Maker Lab' and additional Global Library Books in our Upper Primary Library

Dates for your diary:

- 05.04.19 - End of term 2
