

# Update on ACSIS Sport Competitions

**Thursday, 13th February 2020**

Dear Parents,

As you are fully aware, the COVID-19 Virus has already had a huge impact on our ACSIS (Athletics Conference of Singapore International Schools) sporting competitions.

As a result and the increase in DORSCON status to orange, the following has been announced by ACSIS:

- ACSIS Season 2 is suspended (The final day for this season is 14<sup>th</sup> February)
- ACSIS Season 3 is cancelled

Sport plays a huge role at DCIS. Many students have been looking forward to their respective season and many students have already been selected for their Season 3 teams. Team managers will be in contact regarding their team and will update you accordingly if training is to continue.

Thank you for your support and understanding.

**Mr Holmes**
