

KS4 Options Form

Name : _____

Form : _____

Deadline: Wednesday 5th of February 2020

All students will study English Literature and English Language, Mathematics and potentially up to three Sciences thus they could be studying six core GCSEs. Students will also study Arabic and core PE.

As well as the core subjects, students will have the opportunity to study three optional subjects. Below is a list of the option choices that we intend to offer for this academic year. Please note that subjects will only run if there is sufficient student uptake and if they fit within the option pattern.

Subjects marked * are the options recognised by ADEK in order to gain the Certificate of Equivalency (5 GCSEs with grades 9-4 in these subjects).

Please identify in order of preference your three preferred subject choices by writing 1 to 3 next to the subjects you would like to study. You are also required to select two reserve choices by writing 4 & 5 next to these subjects.

(At this stage the choices above are not binding and later changes are possible.)
