Co-Curricular Activities Booklet

Term 1, 2021-2022

Co-Curricular Activities (CCAs) are an integral part of the education offered at BIS HCMC and provide our students with a broad range of learning opportunities which positively impact many facets of their development, including academic progress. The diverse co-curricular programme is designed to enhance the core curriculum and provide opportunities for students to broaden their interests and perspectives of the world as they develop a range of skills including social, emotional, leadership, independence, collaboration, moral reasoning, decision making, problem solving, and critical thinking.

Despite the need for students to remain at home for the start of Term 1, we are delighted to be able to continue the fabric of school life by including the CCA programme as part of the BIS Virtual Learning provision with a number of activities which have been modified to facilitate online engagement. We recognise that students engaging in Virtual Learning have less opportunity for making significant connections and this is even more vital during times of isolation and lockdown.

Some of these virtual clubs (VCCAs) will be 'live' with students able to interact with the teacher in charge as well as their fellow students and others will be pre-recorded allowing students to be more independently involved.

Although there are a reduced number of VCCAs to choose from each week at the BIS Secondary Campus, the range is still extensive with options available in each of the 5 categories of Creativity, Action, Service, Sustainability and Study Support. We would like to encourage each student to sign up for at least one club per week.

MUSIC - Online Auditions for Chamber Choir and Orchestra

This year we will be holding auditions for Chamber Choir and Orchestra online.

Students should upload their video audition for Chamber Choir and Orchestra by the 17th September to the [Google Classroom](#), code: **sxtpitn**

Guidelines for submission:

- The video recording should show the student playing or singing.
- The video should be of any piece you play well and should be between 30 seconds and 1 minute long - there is no need to play the whole piece, just a small section.
- No piano accompaniment please - we just want to hear your voice or instrument.
- You can give yourself a note on the piano to find your starting note when singing.

Activity dates for Term 1 2021-22:

All clubs will initially run for a 5 week block and following review, we hope to extend the programme for a further 5 week period.

Start: **Monday 13th September 2021**

End: **Friday 15th October 2021**

CCAs will run during lunchtimes, however, the majority are scheduled after timetabled lessons.

The Virtual CCA Programme makes provision for two sessions each afternoon from 2:50pm – 3:50pm and from 3:55pm - 4:55pm. If activities take place beyond these times information is detailed in the booklet.

The aims of our Co-Curricular activities (CCAs) at BIS, HCMC are:

- To provide a wide range of enjoyable and challenging experiences above and beyond the timetabled curriculum
- To allow competitive teams, drama companies and music ensembles to reach high standards of team/group and personal performance
- To provide opportunities for students to aspire to elements of the school's mission statement
- To continue to develop our involvement in community work
- To offer a balance of endeavour which provides the framework for the IBDP CAS Programme

CAS at BIS

Creativity, Activity and Service are woven throughout the Co-Curricular Activities. Originating from the International Baccalaureate Programme they set out to challenge our students to show initiative and perseverance as well as to develop skills such as collaboration, problem solving and decision making. For a balanced experience, we encourage students to take part in at least one of each of the three areas below:

- **Creativity:** The arts, music, languages and other experiences that involve creative thinking.
- **Activity:** Physical exertion contributing to a healthy lifestyle.
- **Service:** Any collaborative and reciprocal community engagement in response to an authentic need.

On-line CCA Selection – using SchoolsBuddy

Activities need to be selected using the online SchoolsBuddy system. Please see the next page for further instructions.

You will be able to see updates and changes to your approved activities through your on-line SchoolsBuddy homepage. Both the student and their parents will also receive notification when accepted for participation in a CCA.

For the majority of CCAs, the online system (SchoolsBuddy) will randomly allocate students to each CCA. As it is not a first come first served system, you may not always get your first choice activity.

Paid Activities

There are a number of paid activities that students can sign up for such as Yoga, K-Pop, Hip Hop, as well as kickboxing and even football. These are provided by external individuals and organisations with all information about them detailed in the online activities booklet. The external providers have collaborated with BIS and understand the importance of their role in supporting the wellbeing of our students by providing meaningful connections and support beyond the context of a virtual classroom. All costs have been limited to under VND 160,000 per session.

If a student has selected a paid activity, an email confirming their choice will be sent to both the student and their parents.

The payment deadline for all paid clubs is Monday 6th September 2021.

Due to the current situation in Ho Chi Minh City, payments for paid VCCA options that a student has been accepted into can only be made through online banking. If unable to fulfil these conditions, students should please not sign up for a paid VCCA as an option.

Payment amounts for those clubs which a student has been accepted into will be emailed to students and parents on Wednesday 1st September, with payment the payment deadline being the end of the banking day on Monday 6th September 2021. Please keep in mind that both Thursday and Friday are bank holidays; payment transfers should be made early in order to ensure that spaces are held.

All VCCAs will start on the week beginning the 13th of September. If payment has not been cleared by our accounts team by Thursday the 9th, a place will not be available.

Guidelines for students using SCHOOLSBUDDY to select CCAs

On the Secondary Campus, there is the expectation that students independently manage their sign up and club selection themselves using SchoolsBuddy.

Friday 27th August at 8am

Students will be able to sign up on SCHOOLSBUDDY
(for Term 1 activities)

The activities booklet will be updated and available on the school website (link below)

<https://bishcmc.schoolsbuddy.net/>

Monday 30th August at 5pm

Selection on SCHOOLSBUDDY will close

Thursday 2nd September

Students and parents to be notified of their chosen CCAs
Notifications for paid clubs will also be sent.

SCHOOLSBUDDY has been set up for you to use on a daily basis to select and track all your chosen activities.

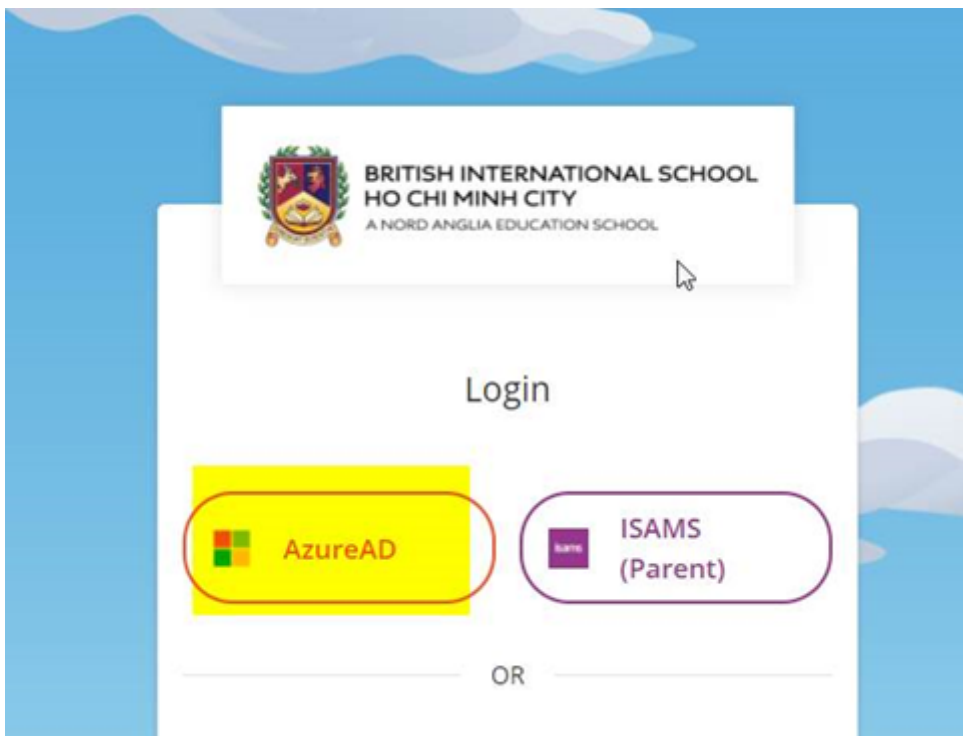

Students, please follow the instructions below to log on and select your desired activities/paid clubs:

To access the BIS SCHOOLSBUDDY portal please click on the following link:

<https://bishcmc.schoolsbuddy.net/>

You can also access SCHOOLSBUDDY from a link on the school website (www.bisvietnam.com). Scroll down to the end of the main page to the "Useful Links" section.

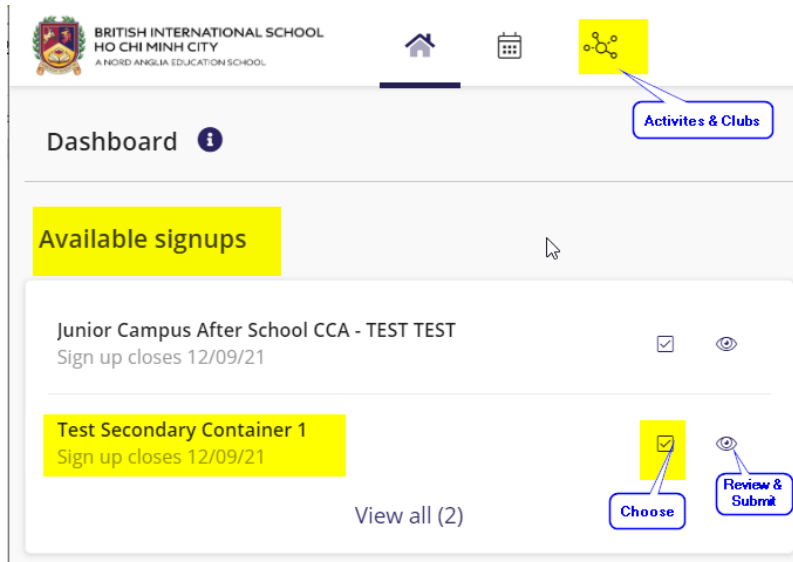

Click on "Azure AD" - there is no need to enter a username or password.

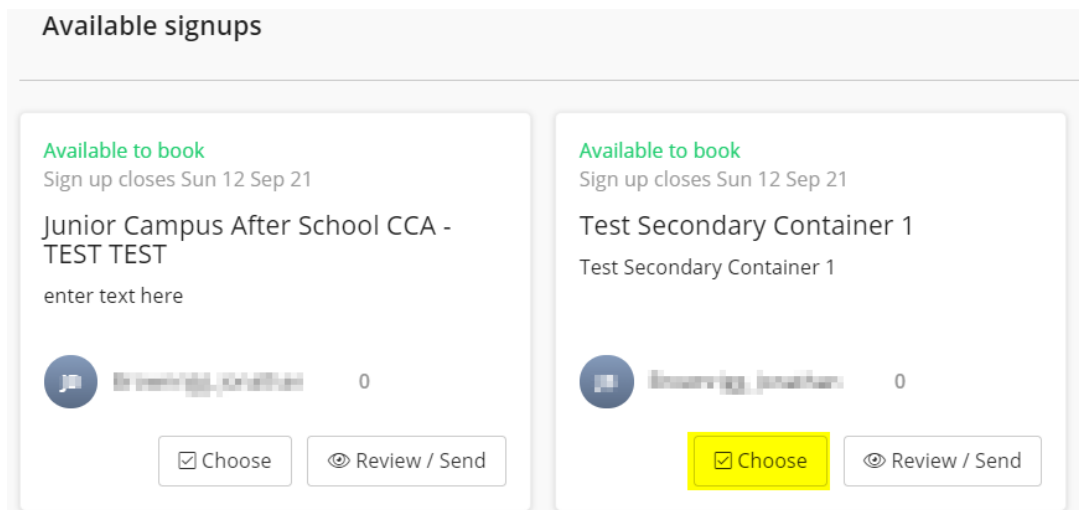

Should you have any issues please contact tracey.brownrigg@bisvietnam.com

Making After School Club Selections (CCAs)

1. Click the 'Activities & Clubs' tab, or click on an Available signups container.

2. Depending on the activities, clubs and care your school provides, you may see just one or multiple boxes similar to the one below. They should be clearly labelled so you can see what is available to you. Click the 'choose' button.

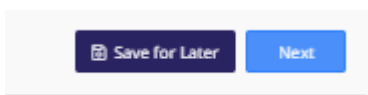

3. From there, the clubs that are available will be shown by day of the week.
4. Click the day of the week to expand the section.
5. Select your preferences for each club for the desired day of the week.

In the example below, Bobby Smith has selected Creative Coding Club on a Wednesday as their first choice, but, in case there are not enough spaces, Bobby has selected Music Technology Club as a second preference. Bobby is trying to ensure that they have a club on a Wednesday but show the school that they would prefer to do Creative Coding.

It is fine to leave some clubs without any preference selections, the tick will remain in the N/A box to show that you do not wish to select this club.

- When you have made selections for each of the days you would like, click the blue 'Next' button which can be found at the top right of the screen. Alternatively, you can also click 'Save for Later' and complete it later.

If you save for later, when you return to the Activities & Clubs tab, click the Review/Send button to complete your selections and send them to the school.

- You can click 'Edit Choices' to make changes if needed. When you are happy with your choices click 'Submit to school'.

Badminton	Student3, Test	Fri	14:40-15:40	Junior - Gym	Khuong	Free VND	2

Log into your SchoolsBuddy account for further details.

**If this email does not contain any selections then this will be because you have a sibling or another child at British International School Ho Chi Minh City and selections have only been submitted for them.

Many thanks

British International School Ho Chi Minh City and the SchoolsBuddy team.

[Go to the British International School Ho Chi Minh City SchoolsBuddy Portal](#)

11. When your School has processed the after school club allocations, you will receive a further email communication showing which clubs you have been allocated or not allocated.
12. Your Diary will be automatically populated with the time and date of the events of the clubs/activities allocated to you.

Guidelines for Parents using SCHOOLSBUDDY to check student activities

Please note that information will only be available on SchoolsBuddy after the system goes live at 8.00am on Friday 27th August 2021 and before close at 5:00pm on Monday 30th August 2021.

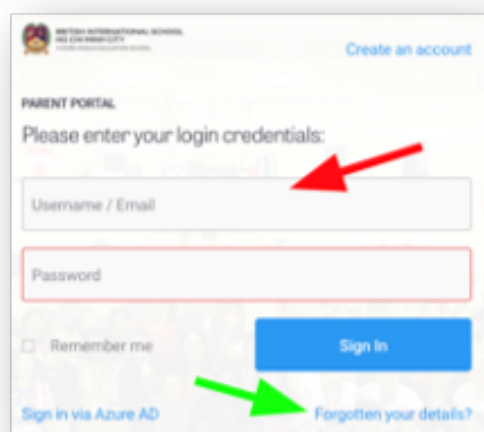

Only students may select CCAs - parental access is available to track their child's activities. It can be found by going to the SchoolsBuddy website:

<https://bishcmc.schoolsbuddy.net>

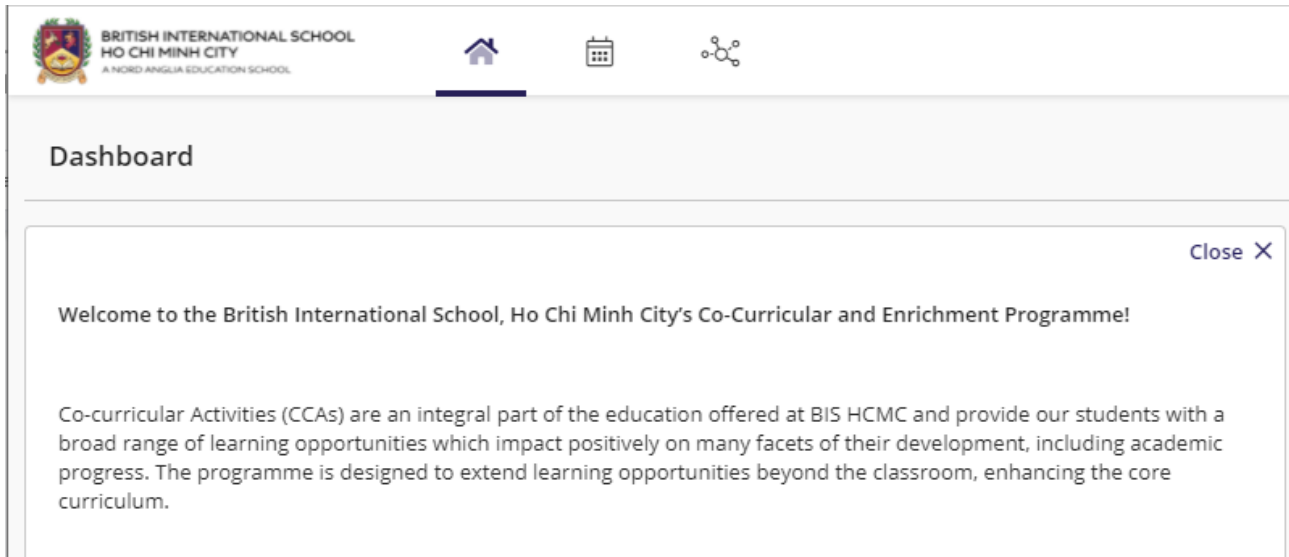

After clicking the link above, you will be directed to the login page. Do not add your email directly to this page, but instead, click on iSAMS (Parent) as seen to the left.

This will direct you to the iSAMS login page. Please login using details supplied to you by school. If a new parent, you will have received an email from school on your registered email address with the words 'New iSAMS Parent Portal Sign in' within the subject line. Use those details to set up iSAMS. If you have forgotten login details, simply click the 'Forgotten your details?' option (see green arrow).

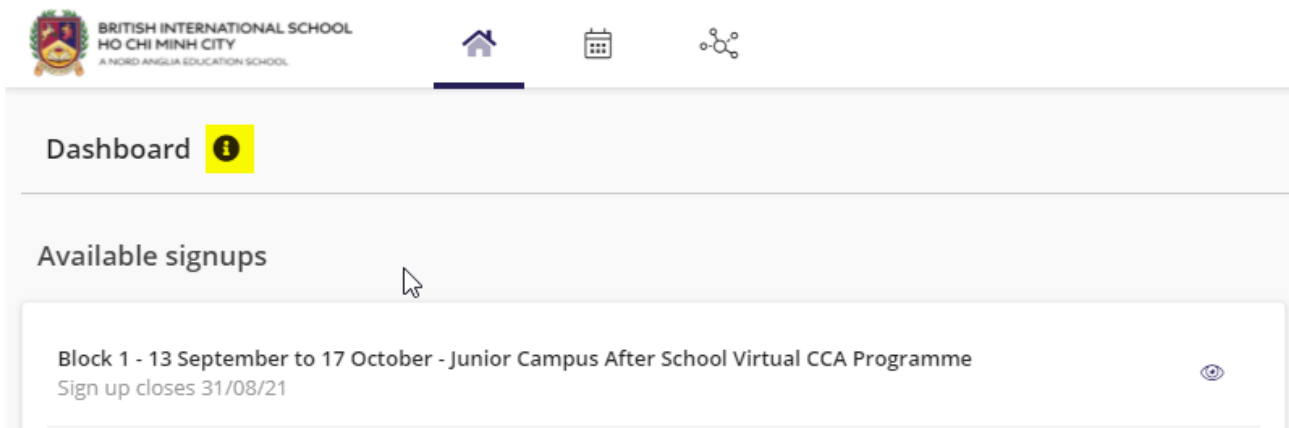

Once logged in correctly, you will land on your SchoolsBuddy Dashboard. It is on this page that you will again be able to see the VCCA Booklet and the welcome message from school.

The screenshot shows the top navigation bar of the SchoolsBuddy Dashboard for British International School, Ho Chi Minh City. It includes the school logo and three icons: a home icon, a calendar icon, and a network icon. Below the navigation bar is a grey header with the word "Dashboard". A white message box is displayed with a "Close X" button in the top right corner. The message reads: "Welcome to the British International School, Ho Chi Minh City's Co-Curricular and Enrichment Programme!" followed by a paragraph: "Co-curricular Activities (CCAs) are an integral part of the education offered at BIS HCMC and provide our students with a broad range of learning opportunities which impact positively on many facets of their development, including academic progress. The programme is designed to extend learning opportunities beyond the classroom, enhancing the core curriculum."

If the welcome message has been closed on your dashboard, please click on the  icon to open it.

This screenshot shows the same dashboard as above, but the welcome message has been closed. The "Dashboard" header now has a yellow information icon (i) next to it. Below the header is a section titled "Available signups". A mouse cursor is hovering over the text "Available signups". Below this section is a white box containing the text: "Block 1 - 13 September to 17 October - Junior Campus After School Virtual CCA Programme" and "Sign up closes 31/08/21". A small eye icon is visible in the bottom right corner of this box.

Resources Required -Computers with add-ons such as mic and webcam, chargers and Internet
Dungeons and Dragons Club	Year 7, Year 8, Year 9, Year 10, Year 11	14:50	15:50	No Maximum	Mr Darryl Cullen & Mr Mark David Jones	Dungeons & Dragons is a roleplaying game about storytelling in worlds of sword and sorcery. It shares elements with childhood games of make-believe. Like those games, D&D is driven by imagination. It's about picturing the towering castle beneath the stormy night sky and imagining how a fantasy adventurer might react to the challenges that scene presents. Unlike a game of make-believe, D&D gives structure to the stories, a way of determining the consequences of the adventure's action. Players roll dice to resolve whether their attacks hit or miss or whether their adventurers can scale a cliff, roll away from the strike of a magical lightning bolt, or pull off some other dangerous task. Anything is possible, but the dice make some outcomes more probable than others. In the Dungeons & Dragons game, each player creates an adventurer (also called a character) and teams up with other adventurers (played by friends). Working together, the group might explore a dark dungeon, a ruined city, a haunted castle, a lost temple deep in a jungle, or a lava-filled cavern beneath a mysterious mountain. The adventurers can solve puzzles, talk with other characters, battle fantastic monsters, and discover fabulous magic items and other treasure.
Economics Club	Year 10, Year 11, Year 12, Year 13	14:50	15:50	No Maximum	Mr Andrew Bligh	This club will help students get a greater insight into the economic concepts they learning inside and out of school. Our club will be based on researching and sharing ideas of economic phenomenon and events. It will be a great chance to expand participants' economic skills and knowledge.
Global Goals Project	Year 7, Year 8, Year 9, Year 10, Year 11, Year 12, Year 13	14:50	15:50	No Maximum	Miss Lauren Binnington, Ms Rosemary Doyle, Ms Lois Topping	The Global Goals Project team is responsible for raising awareness of, and taking action towards, the Sustainable Development Goals which the UN hopes to meet by 2030. Develop your leadership and project management skills by planning events, running campaigns, and working together to develop our Global Challenge Action Plan. We will continue with the current Precious Plastic Project, Shoestring Education, and celebrate the UN Convention on the Rights of the Child in 2020. We believe in thinking Global and acting Local to make a difference in the BIS community.
