THE SCHOOL TRIP OF A LIFETIME

Parent Pack

DISCOVER YOUR CHILD'S JOURNEY WITH **EXPO 2020 DUBAI**

Dear Parents & Carers,

Expo 2020 Dubai will host the world for 173 days, each one brimming with new experiences. It'll be a time to create, collaborate and innovate – and it's going to be fun!

The Expo School Programme has been delivering exciting initiatives and programmes to students across the country since 2016. We are now organising field trips to Expo 2020 that will bring classroom learning to life. Students will glimpse the future through a myriad of fun learning experiences, and explore how they can play a part in building a better world.

Get a sneak preview of all the fun and learning to be had and support your school in booking all four journeys being offered during this once-in-a-lifetime event!

Yours,

Expo School Programme Team

Journeys

“We are ready and remain true to our promise of hosting the best Expo edition yet in its 168-year history”

His Highness **Sheikh Mohammed bin Rashid Al Maktoum**, Vice President and Prime Minister of the UAE and Ruler of Dubai

Be a part of history

A World Expo is a **large international exhibition** designed to unveil future-shaping **innovations**, showcase the **achievements of nations** and **promote cultural exchange**.

Buildings and products first revealed at World Expos include the **Eiffel Tower**, the **X-ray machine**, the **typewriter**, the **television**, and even **tomato ketchup**.

To date, 33 cities have hosted a World Expo, from **London** to **Osaka**, and now **Dubai**.

FOUR INCREDIBLE SCHOOL JOURNEYS

Expo 2020 Dubai is proud to present four immersive educational journeys for schools, each designed to inspire students and ignite their creativity.

Travel through time to witness the **UNIVERSE IN MOTION**

Tomorrow, we'll call our home the **SUSTAINABLE PLANET**

Play your part in the **WORLD OF OPPORTUNITIES**

Be inspired by the **LEGACY OF THE UAE**

LEGACY OF THE UAE

KG TO HIGH SCHOOL

CONNECT WITH OUR PAST...

Explore the roots of UAE culture, from ancient civilisation to the founding of the nation in 1971.

Discover the UAE's rich history, vibrant culture, and ambitious future driven by the vision of its leaders.

Immerse yourself in the nation's breathtaking story, its astonishing progress, its rich culture, as well as the vision of its leaders and their ambitious plans for the future.

Students will explore different perspectives of the UAE's rich history either through the **UAE Pavilion**, a mesmerizing and inspiring space designed in the shape of a falcon in flight, or **Sameem**, an immersive and emotional space where they will learn about finding potential beyond what is visible.

This journey also includes a variety of pavilions and experiences designed to offer students a truly unique, educational and immersive experience.

...AND OUR FUTURE

From automated vehicles, to building a city on Mars, explore the bold vision of the UAE's leaders and their ambitious plans for the future.

SUSTAINABLE PLANET

KG TO HIGH SCHOOL

Explore the beauty of our amazing planet and experience how the choices we make today affect the world of tomorrow.

Wander through forest roots or dive into the ocean depths to explore the wonders of nature at **Terra - The Sustainability Pavilion**.

Enter a dark cavern where a monstrous fish lurks among the plastic waste and picture our planet when humanity chooses to either nurture it or neglect it. Discover global projects providing real life solutions to help preserve our planet for future generations and how you can play a part in creating a more sustainable world.

This journey also includes a variety of pavilions and experiences from around the world, all designed to offer students a truly unique, educational and immersive experience.

UNDER THE FOREST

Wander through forest roots and explore the mysteries of how trees communicate through the Wood Wide Web.

UNDER THE OCEAN

Dive into ocean depths and connect with the natural world – you will hear the sound of a whale's love song and see an oyster's beating heart.

A NEW WORLD OF POSSIBILITIES

Witness how mobility is driving development and transforming the future for all humankind.

Travel through time and space to discover human progress across physical and digital realms.

Embark on a journey across time and space to explore the evolution of movement, from ancient exploration to artificial intelligence.

Venture into **Alif - The Mobility Pavilion** to meet the historical giants of mobility in ninth-century Baghdad, step into a virtual world driven by data, and leap forward in time to explore the city of tomorrow where robots and artificial intelligence coexist with humanity.

This journey also includes a variety of pavilions and experiences from around the world, all designed to offer students a truly unique, educational and immersive experience.

MEET THE GIANTS OF MOBILITY

Hop onto the world's largest lift and take a ride straight back to ninth-century Baghdad. Meet three great explorers, Al Bakri, Ibn Battuta and Ibn Majid, and discover their amazing stories.

WORLD OF OPPORTUNITIES

KG TO HIGH SCHOOL

MISSION POSSIBLE - THE OPPORTUNITY PAVILION

Discover how water, energy and food are fundamental human needs, and access to them unlocks opportunity for all.

Explore the impact of individual actions on the world and become positive agents of change.

Step into an interactive journey where students become positive agents of change and discover how they can have an impact on the world, starting from their own communities, in more meaningful ways than one.

With inspiring stories to unlock and new ideas to uncover, students will explore a world of opportunities through one of these exciting pavilions: **Mission Possible - The Opportunity Pavilion**, where they will witness firsthand how their individual actions can impact the world, or **DP World**, where they will learn how to keep the world connected through the *Power of Flow*.

This journey also includes a variety of pavilions and experiences from around the world, all designed to offer students a truly unique, educational and immersive experience.

THE DP WORLD PAVILION

Welcome to the Future!
Experience how connectivity and movement of cargo across the world opens unexpected possibilities for all of us.

COUNTRY PAVILIONS

Your child's itinerary will include **at least one** of the **190+ countries** participating at Expo 2020 Dubai.

Saudi Arabia Pavilion

Balancing rich heritage and natural wonders with the energy, creativity and innovativeness of its people, the pavilion will demonstrate how Saudi Arabia is shaping both its own and the world's future.

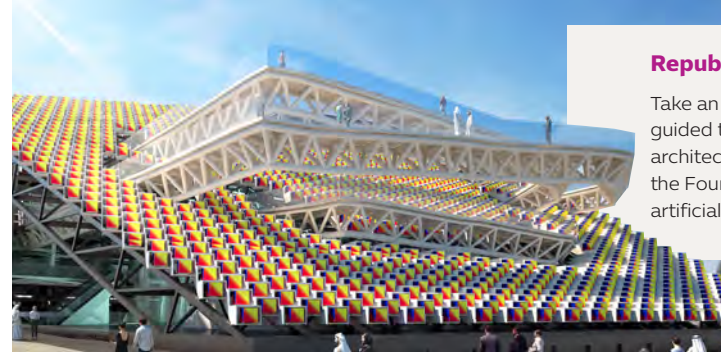

United States of America Pavilion

Inspired by the theme of "Life, Liberty and the Pursuit of the Future," the USA Pavilion celebrates the American spirit. Watch an exciting show that takes place in the ceiling of the pavilion, showcasing a dynamic society that has shaped the modern world.

Republic of Korea Pavilion

Take an experiential walk on the mobile-guided trail through the pavilion's unique architecture to explore new technologies of the Fourth Industrial Revolution such as artificial intelligence, robotics and 3D printing.

Italy Pavilion

See how creativity comes from different places and disciplines in an unprecedented journey through the Italy of Beauty, touching on the country's extraordinary past, present and future.

Oman Pavilion

Traverse thousands of years of progress and international collaboration in this pavilion, which pays tribute to frankincense, Oman's 'gift to the world'. Its exterior resembles the tree that produces this precious resin. Inside, it details its diverse applications – spanning everything from medicine to food to cosmetics.

India Pavilion

Building on India's culture, heritage and technologies, including its space programme, the Pavilion will reflect 'new India' and show the strengths of its human resources and youth's aspirations. 600 kinetic blocks on the pavilion's facade tell the story of India on the move.

United Kingdom Pavilion

Contribute to a dynamic poem displayed on the exterior of this AI and space-focused pavilion. Explore innovations for a shared future, including exoskeletons created for people of determination and the commercialisation of space.

Angola Pavilion

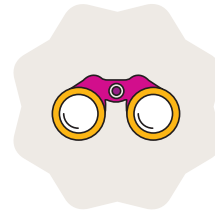

Witness how the Angolan art of drawing in the sand tells the story of ancient wisdom. By connecting with tradition, Angola is innovating to become one of the world's fastest growing economies.
