

Making your Tet Box

Find an old shoe box or collect one from your campus collection point.

Wrap the top and bottom so that it still opens

Now you
can fill the
box with
your gifts.

What should I put in the box?

Clothes

Stationary

Food (wrapped and in date)

Toys

Toiletries

All items should be new

Once you have filled the box you need to write your label. And attach it securely to the box. (Collect label from campus collection point)

Then use an elastic band to secure the box and take it to the TET Tree at your campus

NATIONAL STUDENT COUNCIL OF VIETNAM
Logo: A circular emblem with a tree and a sun.
