*Randy Plett is this year's
Photography Judge*

'Photographers of the Year' Competition

The deadline for submissions is **Monday 29th October** (that's today!)

We have had some amazing photo submissions at Global Campus online. Mr. Handley and secondary school art teacher Miss Kertrestel will be choosing three entries to represent Dover Court in the global competition.

We look forward to sharing the results with you soon...

This year's photography judge for the global competition will be **Randy Plett**. [Click here](#) to access a short video from Randy about the competition.

STEAM 'Hack the Tube' Competition

This year, the task for Nord Anglia students around the world is to take a paper towel tube and re-imagine its use, transforming into something different.

Students can share their hacks online at the 'Hack the tube' competition page ([click here](#) to check it out)

To share your hack or ask any questions, please contact our Primary School STEAM leader, Mr. Baines or our Global Campus leader, Mr. Handley.
