

# THAI SAVE THAI SELF ASSESSMENT

One of the requirements of the Ministry of Public Health is that all students, teachers and school personnel self-assess themselves regularly using the Thai Save Thai App. The frequency of assessment depends on the Epidemic Area the school is situated in. Chonburi is currently in the Maximum and Strict Controlled Area (Dark Red Zone) meaning that assessment should be carried out everyday.

## Notification of Ministry of Education

**RE: Standard for School Reopening under Section 9 of Royal Emergency Decree on Public Administration in Emergency Situations B.E. 2548 (A.D.2005)**

(ISSUE. 32)

### The Principles of Sandbox Safety Zone in Schools

The principles of Sandbox Safety Zone in Schools shall be used to be the guidelines for cut the risks and provide the immunities (3T1V) as follow;

**T: Thai Stop Covid Plus (TSC+)** Schools shall assess themselves their readiness for the start of the semester

**T: Thai Save Thai (TST)** Students, teachers and education personnel shall assess themselves the risk of infections.

**T: Antigen Test Kit (ATK)** Students, teachers and education personnel shall be screened by ATK before entering into schools. There shall be surveillance and random tests.

**V: Vaccine** teachers and education personnel shall be able to get vaccinations more than 85%.

Table 1 Preventive Measure in School or Educational Institution Classified by Epidemic Areas

	Epidemic Areas	Preventive Measures	ATK	Vaccine Accessibility	Time Sensitive Targeting (TST)
1	surveillance area (green zone)	1. strictly follow 6 key measures* (DMHT-RC) & 6 additional measures** (SSET-CQ) 2. follow 7 strict measures for educational institution***	-	≥85% of teachers/staffs	1 day/week
2	maximum surveillance area (yellow zone)	measure 1-2	1 time/ 2 weeks	≥85% of teachers/staffs	1 day/week
3	controlled area (orange zone)	measure 1-2	1 time/ 2 weeks	≥85% of teachers/staffs	2 days/week
4	maximum controlled area (red zone)	measure 1-2 and 3. businesses and venues within 10 metres from the schools are required to pass TSC+ COVID free setting assessment 4. school pass should be provided for students, teachers and staffs 5. limit the class size, no more than 25 students per class	1-2 time(s)/ week	85-100% of teachers/staffs (including students according to Ministry of Public Health's measures)	3 days/week
5	maximum and strict controlled area (dark red zone)	measure 1-5	2 times/ week	85-100% of teachers/staffs (including students according to Ministry of Public Health's measures)	everyday
