Year 4 created unique 'Blackout' poetry.

News: Creative Writing Competition 2018/19

This week, Year 4 have been busy participating in the Global Campus Creative Writing competition 2018.

Classes in the year group have produced a unique form of writing called '**Blackout Poetry**' and have achieved some impressive results.

To create a piece of Blackout Poetry, students were given an extract from one of this year's 'One World, One Book' texts. They then had to identify individual words from the text to create new sentences and ideas, before blacking out the remaining words.

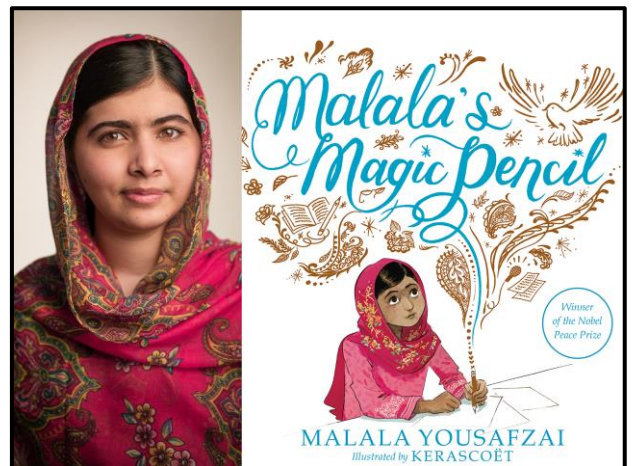

Judging this year's creative writing is not going to be an easy task!
