

INTERNATIONAL FOOD EVENING (IFE) – SATURDAY 24 MARCH 2018

The Parent Event Team (PET) is excited to announce that our next event - The International Food Evening – is fast approaching. All profits made at our events are donated to charity. Over the last few years the PET has donated money to the ‘Heart to Heart’ charity in Shanghai which provides much needed support and financial assistance to indigent families in China whose children need life-saving heart surgery. We have already supported four such children and hope to increase this number after this year’s events.

The International Food Evening takes place on **Saturday 24 March in the Secondary Dining Hall** and begins with a welcome drink in the new Hamilton Centre at 7:00pm. Cooks from 27 of the countries represented at our school are working hard to produce many culinary delights for your enjoyment. There will be a cash bar available on the evening. Entry to the event is by ticket only at a cost of RMB 200.00 per person. This event is for **adults only**. Due to the high demand for tickets initial sales will only be to current parents and staff of BISS Puxi.

Tickets will be available from Monday 26 February on Yoopay. The QR code will be distributed on that morning. If you are unable to purchase tickets via Yoopay you may complete the response slip below and deposit it in the marked boxes held at both the secondary and primary reception desks. Please ensure the slips are filled out as requested and that you enclose the exact amount of money. No change can be given. You will receive your ticket electronically.

Kindly note that a maximum of 2 tickets per family are available both on Yoopay and by response slip return and that we will not be able to offer refunds on tickets this year. Thank you for supporting what we hope will be another wonderful event. If anyone has any questions about the event please feel free to contact us on pta@bisspuxi.com.

Kind regards

The Parent Event Team
