| 15-Sep-22 | 15:30 - 16:30 | ICN Business School | Webinar | Zoom | <p>Studying Business in France. ICN Business School</p> <p>Have you considered studying business in France? You can study business in a top French Business School totally in English while being in the heart of Europe in a great city such as Paris. Why France could be a good destination for studying business and how is the French academic system compared to others.</p> <p>Founded in 1905, ICN is one of France's foremost business schools, highly recognized thanks to national and international accreditations: AACSB, EQUIS and AMBA. The school is a member of the Chapter of the 'Grandes Écoles de Management' in the Conférence des Grandes Écoles. ICN Business School's identity and development are rooted in the links between Management, Technology and Art [ATM]. Thanks to the transdisciplinary cooperation with the School of Art and Design and the School of Engineering, ICN students are able to combine a solid education background with professional experience and a Creative way of thinking.</p> <p>Webinar ID: 820 7919 3691</p> | Sign up link |
| 22-Sep-22 | 15:30 - 16:30 | IUMC (Irish Universities and Medical Schools' Consortium) | Webinar | Zoom | <p>IUMC – Studying Medicine in Ireland.</p> <p>The IUMC (Irish Universities and Medical Schools' Consortium) is a consortium of 4 of Ireland's most prestigious universities. This group consists of University College Dublin, University College Cork, Trinity College Dublin and the National University of Ireland in Galway. These institutions provide world class education in Medicine and Dentistry which have proven very popular in recent years for students from International Schools in Vietnam. Seamus McHugh will talk us through the application process and how the medical courses prepare students superbly for life in the medical field with internationally recognised degree qualifications which are highly regarded around the world.</p> | Sign up link |
