

Dear BISB parents,

● Thank you for joining us at [The PTA Coffee Morning](#). Next meeting is on **Wednesday 28th March**.

● Thanks to all the [Class representatives](#) who volunteered for their class and made a great effort for thinking of **Christmas presents** for the teachers and staff. Please contact us if you have questions (adincik@gmail.com)

● Millions of thanks for the huge interest for our [cookbooks!!!](#) So far we sold **183 books!!!** We will continue to provide them the whole year. The price for each book is **15 Euros**. The money will be divided between global/local charities and PTA events. (adincik@gmail.com) **You can buy a book for yourself as much as for your family members & friends, for birthdays, for Christmas...**

● **Wow!** What a successful [Bake sale](#) we had on Wednesday 14th February, on Valentine's Day! Heart shaped muffins, cakes, cookies, decorations... A huge thanks to year 4 parents who made an extreme effort, to all the volunteers who helped and gave their time to this bake sale and to Marketa and Sarah who organised it! 465.50 Euros were collected! Woooow!

● We are now starting a new **competition**, a first in our school: [BOOKS & PIZZAS!!!](#)

It is a good opportunity to give away your gently used children books for all ages, especially if you are moving! Between 1st March-18th May you can send with your child as many books you want (primary & secondary). In every year group there will be box who will be checked continuously by Adin, Jasperine, Laila and Zuzana to keep a score. The year group who collected the most amount will have PIZZA PARTY in June! YEY! Please check the poster!

● [Fundraising for Tanzania](#)

Finally, our Tanzania group went to their trip to share their knowledge, talent, friendly faces in Africa and came back! We are looking forward to hear their incredible journey and to learn more about Africa.

However, their fundraising will continue with few students during the school year and so please continue to support them.

● From Term 2 we began to support a new **local charity, Plamienok**. They are a non-profit organisation who provide homecare services for terminally ill children. Every year they run a therapeutic summer camp for bereaved children from the whole of Slovakia. Please find Mrs Eastwood's letter for more information and the link. Thanks in advance for your support for the cause...
