

School Profile for University Admissions 2016-2017 (as of September 2017)

Collège du Léman, a Nord Anglia education school, is an independent coeducational Preschool–12 school with both residential and day students. Founded in 1960, in Versoix, Switzerland about five miles from Geneva. We offer high school programs in English and French with bilingual options. The Primary and Middle Schools also offer programs in English, French and bilingual tracks.

ACCREDITATION: New England Association of Schools and College (NEASC) and the Council of International Schools (CIS).

STUDENT BODY: Students represent over **100** nationalities. Students come from our immediate local neighborhood; from the communities around the city of Geneva; from Europe; and, from regions world-wide. **Top 10 nationalities** represented: France, Switzerland, US, UK, Russia, , Italy, Spain, Japan, Canada, China. Approximately **38% of students identify English** as their mother tongue. Approximately **12% of students are boarders**.

ENROLLMENT: Total school (Pre-school – high school): 1802 students (210 are boarding students)
(as of Sept. 2016) High School Enrollment: 732 students (568 in English program; 164 in French/Swiss program)
Class of 2017: 201 total students (72 IB, 94 High School, 23 French Baccalauréat, 12 Swiss Maturité)

HIGH SCHOOL FACULTY: 76 full time and 46 part-time teachers on the high school staff (all diplomas).

DIPLOMA OFFERINGS: There are five diploma tracks in the high school. For the first 2 years of high school in the English section, students choose to complete grades 9-10 or the International General Certificate of Secondary Education (IGSCE). Both programs qualify students to pursue the High School Academic Diploma, IBDP or IBCP diploma:

The High School Academic Diploma, a Grade 9-12 program.

AP courses offered: English Literature, Calculus (AB & BC), Statistics, Physics (1&2), Biology, Chemistry, European History, U.S. History, Macroeconomics, Microeconomics, Comparative Government & Politics, Human Geography, French, German, and Spanish. Pre-AP courses serve as pre-requisites to AP classes. Students may take a maximum of 2-3 AP courses in Grade 11, and a maximum of 4 AP courses in Grade 12. High achieving students may be allowed to take 1-2 AP subjects in Grade 10.

IB certificates offered to High School Diploma students: Business & Management, Sport, Exercise & Health Science, Environmental Systems and Computer Science.

The English as a Second Language classes are offered in grades 9-11.

Service Activities: High School Diploma students must complete 30 hours per year of REACH (Responsible Citizenship, Health & Fitness, Creativity) activities.

The International Baccalaureate Diploma Programme (IBDP)

Courses offered: Art, Biology, Business and Management, Chemistry, Computer Science (SL), Economics, English A Literature, English A Language and Literature, English B (HL only), Environmental Systems and Societies, French A Language and Literature, French B, French ab initio, Geography, German B, History, Italian ab initio, Math (HL&SL), Math Studies (SL), Russian A Literature, Self-Taught A Literature, Spanish B, Psychology, Physics, Sport Exercise and Health Science (SL only)

The International Baccalaureate Career-Related Programme (IBCP), offered as of 2016-2017. Students choose to focus on a career-related element in sustainable management or hospitality management.

The French Baccalauréat Cdl offers the scientific (S) or the economics (ES) option.

The Swiss Maturité Fédérale is a four-year program for which students take 12 compulsory subjects at a high level. In the bilingual diploma, three of the subjects are taught in English (History, Geography, and Economics-Law). The students take the first set of their examinations in 6 of their subjects in September of Grade 11 (première), and take the 6 remaining exams in September of Grade 12 (terminale). In their final year, students write an extended essay (Travail de Maturité) which they present to a jury.

GRADING SYSTEM and CREDITS

- High School Diploma follows an A-F and the GPA is calculated on a 4.0 scale (weighted, A+ is 4.33).
- International Baccalaureate Diploma follows a 1-7 scale. Total points on report cards are out of 42 points, or students taking self-taught language out of 35 total points.
- The French Baccalauréat follows a 0-20 scale.
- The Swiss Maturité follows a 1-6 scale.

The school does *not* calculate class rank. PE and required grade 9&10 high school computer science classes are not included in GPA calculations.

Students attend 36 weeks of school during the academic year with 40 periods of 40 minutes of class each week.

Credits: A credit value of 1.0 is awarded for grade of D or higher (3 on the IB scale) of a year's work in an academic subject meeting 4-6 times weekly. A half credit (.5) awarded for a) courses meeting 2 or 3 times weekly, and b) grade of D- in a full-time class. AP and IB HL classes receive 1.5 credits. PE classes do not receive letter grades and receive .5 credit. Required Computer Technology in grades 9&10 do not receive a letter grade and receives .25 credit.
