We offer the possibly of following 3 different curricula: anglophone, francophone, bilingual.

The Anglophone programme is based on the International Primary Curriculum (IPC). The Bilingual programme in Grades 1 - 5 also offers the students the possibility of studying math and the IPC Units of Enquiry in both French and English. The IPC focuses on a combination of academic, personal and international learning for children worldwide, combined with innovative and exciting ways to learn. It provides a cross-curricular, thematic, rigorous teaching structure that engages children of all abilities in today's world.

The IPC is designed to help children:

- Learn the essential knowledge, skills and understanding of a broad range of curriculum subjects.
- Engage with their learning so they remain committed to learning throughout their school careers and their lives.
- Develop the personal qualities they need to be good citizens and to respond to the changing contexts of their future lives.
- Develop a sense of their own nationality and culture at the same time as they develop a profound respect for the nationalities and cultures of others.

Cultural and Linguistic

- Choice between three language sections (francophone, anglophone or bilingual)
- Possibility to pass between sections
- A multicultural and multilingual environment
- Continual study and reflection about the teaching of additional languages
