Quarantine on Arrival in Switzerland

If you have spent time in a country or area considered to have an increased risk of infection within 14 days of your entry to Switzerland, you must go into quarantine.

The mandatory quarantine requirement is governed by the list valid at the moment of entry into Switzerland.

You will get more information and instructions at the border on your arrival.

Do I need to complete a mandatory quarantine period?

YES

I will make my own arrangements and make my own way to Beau Soleil for my official arrival day.

OR

I would like to join the Beau Soleil Quarantine Group.

Option 1:
August 25th

10 day quarantine
on Beau Soleil
campus

Option 2:
September 5th

10 day quarantine
at an external
location

During the quarantine period you must remain on campus. The Beau Soleil team will ensure that you are happy and safe and there is plenty for you to do.

NO

I am a NEW student:

Arrival Date: Friday 4 September

I am a RETURNING student:

Arrival Date: Saturday 5 September

Term 1 Classes begin: Monday 7th September

Preparing for your
Arrival:

72

hours

before departure

All students and family members planning to come to the campus are required to have a pre-departure PCR COVID-19 test.
