# LÉMAN 1 BOARDING HOUSE

Léman House is the original heart of the School and has been redeveloped over many years to give excellent boarding facilities for 30 boys from Grades 9 to 12. It is in the centre of the campus and every room has en-suite toilet and shower facilities. Outside there is a paved roof terrace with table and chairs. The House furniture was renewed recently. Rooms are generally twin sharing rooms. There is a fully equipped kitchen, a laundry, and a sitting room with television and Wii. The House has WiFi access and all rooms have desks.

## Students view

*"I like my House because I have a good relationship with my House parents. I have a good room and in my opinion, Léman is the heart of CDL and is the best location. Also, meeting people from new countries is very important and Léman being one of the biggest houses allows me to do that."*
