

MUSIC PERFORMANCE THEATRE ENSEMBLE

A NEW AND EXCITING ACTIVITY FOR PE CREDIT AT VILLAGE SCHOOL

7th and 8th grade middle school students are now offered the opportunity to participate in a unique Music Performance Theater class offering. This class will meet during PE class time and the participating students will receive PE credit for their participation.

Music Performance Theater is a new competitive activity that has been evolving and growing in popularity in school programs throughout the United States. Much like Broadway musicals, it combines vocal and instrumental music, choreography, gymnastics, stagecraft, and costume design. The performances are presented indoors in a gymnasium setting.

This class does not take the place of team time activities. Students who participate in the Music Performance Theater class will still be able to participate in team time activities of their choice.

The attached links will give you an example of a Performance Theater ensemble that is presently competing on a national level. The second is an example of a Wind Ensemble Performance Theater. Both video's give you a close up and full high camera video views that lets you see all elements of the production simultaneously.
