HOMEROOM PARENTS (FOR YOUR INFORMATION ONLY)

Homeroom Parents volunteers fill a crucial role in the classroom. They are the liaison between the teacher and VSPA for the other parents. First, as the teacher's liaison, the HRP will assist the teacher disseminating important class information to all parents, coordinate classroom parties and events such as scheduling mystery readers and fieldtrip chaperones, and keeping a photo/video diary of classroom activities.

Secondarily, as a VSPA liaison, the HRP will assist the VSPA VP in disseminating information of upcoming VSPA events, and coordinating VSPA related classroom projects. It is vital that each classroom has a parent (or two parents) to fill this role. Please be sure you are able to meet the expectations of the role, or if you would, consider being a co-parent so duties can be divided throughout the year, please indicate that as well.

DO NOT SIGN UP HERE. Teachers will post a sign-up sheet in the Classroom on orientation day.
