General Information

Currently bus services are offered to the Cinco Ranch, Eldridge North areas, Katy, Memorial, Sugarland and Royal Oaks/Westpark areas. Buses stop at predetermined locations and do not go to specific home addresses. Registration and payment is online.

- When you land on the Village On-line Registration site click on "Bus Services" on the left side. The link will expand to show you every option available on all routes (All Bus Options) and each route individually (i.e. Cinco, Katy, etc.). Use whichever link works best for you. Each link will give you specific stop locations and times.

- In the event we do not have enough riders sign up for a specific route and the decision is made to eliminate the route, you will be notified in advance and all payments will be refunded. The minimum riders required for any route is generally 20.

- If you have signed up for any of our after school programs, then you already have ASAP log and password and you can use this information to log into the site. Otherwise, there is a link for first time users to register.

- After finding the route you want to register for, click the *Register Now!* link on the left of the description. Registration is only through this site. The fee for this service will be added to your Village account the month service begins.

- There will be two bus registration time frames:
  Fall (August 2020- December 2020) and Spring (January 2021 - May 2021). Registration for the spring 2021 service will open up sometime in November 2020. You will receive a email notification

- For each bus route you will have a choice of morning only, afternoon only or morning and afternoon service. If you sign up for only morning OR only afternoon service and later want to add the other service, please contact anshus@thevillageschool.com Should you decide during the fall term that you do not need the bus anymore, simply do not sign up when Spring registration opens. Your child may continue to use the bus service as needed until December 18.

- The ASAP site will prompt you for a specific location for pick up/ drop off.
- Signing up for more than one child? Use the following discount code: **siblingbus**
