

## General Information

Currently bus services are offered to the Cinco Ranch, Eldridge North areas, Memorial, Sugarland and Royal Oaks/Westpark areas. Service is available to students in Kindergarten through 12th grade. Buses stop at predetermined locations and do not go to specific home addresses.

- Registration for bus services is made using a Google Form on our Bus Services page. Each linked bus route on this Bus Services page expands to give you a copy of the route, stop locations and times.
- In the event we do not have enough riders sign up for a specific route and the decision is made to eliminate the route, you will be notified in advance. The minimum riders required for any route is generally 20.
- There will be two bus registration time options:  
Fall (August 2021- December 2021) and Spring (January 2022 - May 2022). If you would like to register and pay for the entire year at one time, please indicate that in the comment section of the Bus Services 2021/2022 form.
- Fees for service will be included in your Village monthly statement in the month service begins.
- For each bus route you will have a choice of morning only, afternoon only or morning and afternoon service. If you sign up for only morning OR only afternoon service and later want to add the other service, please contact [carolyn.anshus@thevillageschool.com](mailto:carolyn.anshus@thevillageschool.com)
