**RE: YEAR 2 SATS INFORMATION SESSION**

Dear Parent / Guardian,

There will be an information session for Year 2 parents on Friday 25 April at 2:45pm – 3:20pm in the Primary Theatre. This is an opportunity for us to explain the nature and purpose of the SATs (Standardised Assessment Tests) that all Year 2 children will sit in the coming weeks; what they involve; why we do them; how they fit into the bigger picture of assessment at BISS, and how you can support and reassure your child. Parents will also have the opportunity to have questions or concerns answered.

We hope that parents will be able to join us for this session. However, should you not be able to attend, there will be an information sheet available giving the key information about SATs.

If you have any questions, please do not hesitate to contact me or your child's class teacher.

Thank you for your cooperation and understanding.

Best wishes,

Niki Meehan  
Head of Primary
