

Dear Parent/Guardian

I am pleased to inform you of the instrumental tuition programme offered at Compass International School, Doha. We have a wide variety of lessons available from highly qualified music specialists.

Instrumental tuition will be available at each campus and lessons will take place during (depending on the campus) and after the school day and last for 30 minutes per session. Please note that lessons at 1:30/2pm are very popular and are therefore not always possible. Children are welcome to attend lessons at any campus.

If you wish to register for lessons, please complete the attached reply slip and hand it in to reception.

Lessons cost 140QR for individual sessions and 75QR for shared drumming or guitar lessons. They will be billed termly in advance by the instrument teacher.

We will be offering lessons in the following instruments:

- Woodwind (flute, oboe, clarinet)
- Violin / Viola
- Cello
- Bass guitar
- Acoustic / Classical guitar
- Electric guitar
- Drums / Percussion
- Keyboard / Piano
- Saxophone
- Trumpet / Trombone

We also have a number of instruments that parents can borrow so that their child can practise at home during the school year – cost 200QR returnable deposit.

I look forward to your child enjoying and making the most of these opportunities at Compass International School. Please do not hesitate to contact me should you have any questions or comments.

With kindest regards

Alison Porter
Head of Music, Themaid Campus

I would like to register my child for music lessons after school and understand that fees are due termly in advance.
