

Year 2 Home Learning Menu

WEEK B

Sent: 17.5.18

Due in: 22.5.18

Starters: Numeracy

How long do you think one minute is? Get someone to time you and check if you were correct.

Learn how many minutes are in an hour, how many hours are in a day, and how many days are in a year.

Read the time on a clock in your house.

Look at the clock at different times of the day. Can you estimate when it has been an hour?

Main Course – you **MUST** do these every week:

- Read for 15 minutes - 5 times per week
- Learning weekly spellings
- Times table practise
- 15 minutes on Mathletics/Reading Eggs – 3 times per week
- 1 x Numeracy – Worksheet
- 1 x Literacy Activity Sheet

- Everyone **must** finish the main course every week. Work must be completed in your Home Learning books and returned to school on Wednesday of each week.
- Everyone **must** attempt one, or both, of the project deserts. You will be asked to present your work to your teachers and peers.
- If you are feeling *extra* hungry, you can order from the starters. These will focus on a different subject each week. Each dish has a difficulty rating. The more chilies, the more *challenging* the task!
- Why not spend some time tackling some of the family side dishes. Time spent as a family is important and you can learn together whilst having fun.

Dessert: Project to be completed by **14 June!**

- Plan, conduct and evaluate a scientific experiment testing something that interests you.
- Create a PowerPoint about a famous person from the past who interests you.

Sides: Family Fun

- Visit a local park. If you have a bike, take it out for a ride!
- Make a family recipe and learn it off by heart!

Dear Parents

This letter has been sent home to inform you about your child's learning for **next week**.

In **Literacy**, we will be reading and improving our own work and exploring different types of poetry.

In **Numeracy**, we will be learning to solve multiplication and division problems using counters, arrays and repeated addition.

In **Science**, we will be looking at investigations again and focusing on what makes a 'fair test'.

In **IPC**, we will be learning about famous scientists and how people have communicated in the past.

In **PSHE**, we will be looking at conflict resolution.

In **ICT**, we will be improving our typing skills and using WordArt in our typing.

Children will be completing their phonics assessments within class this week so there will be no **spellings** on Thursday.

Notice & Reminders:

- School timings during Ramadan are from 8am to 1pm.

Have a lovely weekend!
Yours faithfully
Year 2 Team
