## The Top 3 Sustainable Development Goals addressed

DOVER COURT  
INTERNATIONAL SCHOOL  
SINGAPORE

A NORD ANGLIA EDUCATION SCHOOL

*Social Impact  
Profile*

## Type of activity

**Fundraising:** an event whose primary purpose is to raise money for a community partner

**Community Service:** volunteers act close to the end beneficiaries or close to the organisation itself, either close to the school, in the same country or abroad

**Goods Collection:** the goods are collected and sent to the end beneficiaries.

**Research and advocacy:** Volunteers conduct research and projects that aim to educate others and raise awareness about specific challenges.

## Countries impacted

- UK
- Cambodia
- Singapore

# Social Impact Profile

# Community Partners Highlights

## Caring for Cambodia

Caring for Cambodia is a non-profit, non-governmental, charitable organization committed to ensuring a high-quality education for 6,600 children in Siem Reap, Cambodia. They train their teachers, provide clean and child-friendly classrooms, and the essentials for their health and welfare.

## Food from the Heart

Food from the Heart is a non-profit organisation that feeds the needy through its food distribution programme. It was established in February

2003 after Singapore-based Austrian couple Henry and Christine Laimer read a report in The Sunday Times about bakeries discarding their unsold bread. Stirred, they then decided to channel surplus food from bakeries to those in need.

Their vision is to be the leading charity in Singapore devoted to alleviating hunger through efficient distribution of food.

They aim to reach out to the less-fortunate and brighten their lives by alleviating hunger through a food distribution programme and bringing joy through the distribution of toys and birthday celebrations.

## The Salvation Army

The Salvation Army has been touching lives in Singapore since 1935 and they remain committed in serving the underprivileged in the community without discrimination. To them, every life is precious and they actively help those in need regardless of age, race or religion. Their diverse programmes reach out to children who need care and protection, families in material need, ailing aged requiring quality nursing care and other needy segments in the society.

## Beach Clean

December 2019

### Beach clean-up

All the year 8 and 11ML students collected litter from the beach and in the picnic areas of East Coast Park. This made East Coast Park a nicer place for families to enjoy time together. It also prevents plastic and litter from entering the ocean and it keeps our country clean.

Students became more aware of how littering can affect the environment and oceans. It also makes them think before littering and allows them to educate others on the impacts.

## Book Drive

December 2019

### The Student Council collected books for The Salvation Army

The Student Council collected books of all ages and genres, ranging from comics to dictionaries

These donated books are processed by Red Shield Industries (RSI), the social enterprise arm of The Salvation Army and distributed among various Family Stores around Singapore. It generates income through these stores that are used to support their programs that help the underprivileged segments in our society. These books are reasonably priced, making them accessible to the economically weaker sections of society.

## Activities Highlights

## Charity Awareness Day

October 2019

Raising awareness and funds for the 5 charities that the students voted for

Friday 11th October was the first Charity Day of the year and a range of activities have been going on on campus to raise money and awareness. All students were invited to a non-uniform day for a small donation! The new charity collection boxes placed at the entrance were a great success and the children enjoyed putting their donations in the boxes. The students had created some wonderful posters that were displayed in the foyer.

8MM and 11ML had worked hard all week in preparation for their bake sale in The Lounge. The students had baked all the goods on sale, made posters and ran the stand, all by themselves. They would like to thank all parents and staff for supporting them and helping them help others.

The Spot in the Red Dot Restaurant saw a number of busking performances, all performing to raise funds.

A wonderful day, truly showing that our students embrace the Dover Court vision.
