HELPING OTHERS
TO BE THE BEST
THEY CAN BE

We are delighted to inform you that we are hosting our annual Christmas Fair at the British International School, Puxi Campus on Saturday 6 December from 11am - 3pm. Each year this event attracts over 1,500 attendees from the Shanghai expat community.

We are currently seeking raffle prizes for our Raffle Draw to take place at the Christmas Fair. The Raffle Draw is an annual highlight of our Christmas event, last year raising 40,000RMB for charity. This year the money raised from the Raffle Draw will be going to The Indochina Starfish Foundation (ISF), an international charity which helps some of the poorest, most disadvantaged children in Cambodia. Our Year 12 students will be going out to visit and volunteer at the ISF School in Cambodia next year, when they will donate the money raised.

This year we want to make our Raffle Draw bigger and better than ever and would love your company to be involved. Below are the details regarding the Raffle Prize sponsorship.
