## Starters: Art

Find out the name of a famous artist.

Find out what style an artist was famous for.

Look at art pieces from a famous painter. What is special about the way they paint?

Create your own piece of art in the style of a famous artist.

## Main Course – you **MUST** do these every week:

- Read for 15 minutes - 5 times per week
- Learning weekly spellings
- Times table practise
- 15 minutes on Mathletics/Reading Eggs – 3 times per week
- 1 x Numeracy – Worksheet
- 1 x Literacy Activity Sheet

- Everyone **must** finish the main course every week. Work must be completed in your Home Learning books and returned to school on Wednesday of each week.
- Everyone **must** attempt one, or both, of the project deserts. You will be asked to present your work to your teachers and peers.
- If you are feeling *extra* hungry, you can order from the starters. These will focus on a different subject each week. Each dish has a difficulty rating. The more chilies, the more *challenging* the task!
- Why not spend some time tackling some of the family side dishes. Time spent as a family is important and you can learn together whilst having fun.

## Dessert: Project to be completed by 10 May!

- Create a giant poster all about the Earth, Sun and Moon.
- Research your family tree and create one. How far back can you trace?

## Sides: Family Fun

- Go to the beach and look for different materials.
- Have you been to the new Qatar Library yet? If not, get your own library card and take some books out!
