Tuesday	BISCAP	Science Adventure	Reception Only	This is not just an after school program! We aim to deliver lessons that are not just funny and entertaining, we want to leave behind something that is remarkable! We aim to spark interest in science by pointing at the world around us. In order to achieve that, we will work closely with schools to support them in delivering their science programs. Through fun activities, experiments and demonstrations, students will be able to experience the great and fascinating world of science. From chemistry to physics passing through geology and biology we will discover the world around us and what is beyond it. We also believe that emotions are very important, so at the end of each semester, parents will get a video summary of what has been done. This will give them the chance to understand what students have learnt and how. We do believe that passion is one of the most important factors to pass on the knowledge, so our instructors are either scientists or share a deep passion for science!
