

Sharing Love. Sharing Hope

*Supporting and Developing Inclusive Education
For Students with Special Needs*

“Children are like buds in a garden and should be carefully and lovingly nurtured, as they are the future of the nation and the citizens of tomorrow”

Jawaharlal Nehru

Why “Sharing Love. Sharing Hope”?

- To call for community attention and raise public awareness about necessary care and services including inclusive education for students with special needs
- To communicate benefits of detection and early intervention programs for children with special needs
- To contribute to a safe, friendly and equal education environment for all children
- To strengthen linkages between donors/supporters and special schools/centers
