Bird & Flower Ink Painting Class

China Culture Centre (CCC)

1st December – 10:30am

Come and join CCC's Chinese ink painting class. Chinese painting skills are not necessary just enthusiasm and willingness to hold a brush. Traditional Chinese painting is done with a brush dipped in black or colored ink; oils are not used. As with calligraphy, the most popular materials on which paintings are made of are paper and silk. The finished work can be mounted on scrolls, such as hanging scrolls or handscrolls.

The class will be conducted in English. The supplies or the Four Treasures of the Study - the ink brush, ink, paper (made of rice & bamboo), and inkstone - are provided by CCC.
