

Term 2 CCAs 2018

FAQs

What are CCAs?

Co-Curricular Activities are after school activities that run mostly Monday to Wednesday from 3-4pm for Primary and 3:30-4:30pm for Secondary (although some sports may have alternative timings). They are (with a few exceptions) a free activity that is led by our teaching staff and/or an external specialist.

How many CCAs should my child choose?

You can choose none, 1 or more CCAs based on other commitments and remembering the school day is already long. We would recommend 1 or 2 CCAs for those in the younger years, so that they can commit and enjoy the activity for the 9 weeks.

Can a CCA be changed after a few weeks?

We try to encourage children to choose a CCA and follow through with that commitment as swapping CCAs may not be possible. Please email CCA@nasdubai.ae for any help regarding this.

What are the dates for the CCAs?

The CCAs run for 9 weeks. They commence the week beginning the 22nd January.

Half Term is WB 11th February when no CCAs will run.

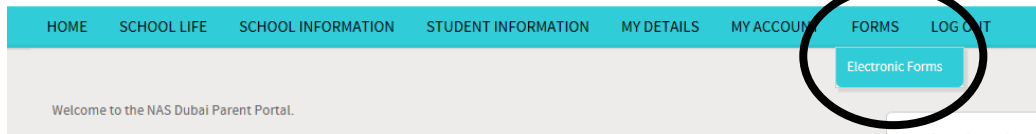

CCAs start again WB 18th February and finish WB 18th March.

How do I tell you what CCAs my child wants to do?

All the CCAs available for Term 2 for each day and year group are shown in the attachments to the email. They are also available through the parent portal, website (www.nasdubai.ae) and our school app. You then log in to the Parent Portal (<http://parent-dubai.nordanglia.com>) to make the choices.

Go to FORMS and ELECTRONIC FORMS and you will see the CCAs listed for your child(ren) to choose from and submit. Please note it rarely works on smartphones and Mac computers. Please ensure you choose the correct child for the correct year group.

Only CCAs for the selected year group will show in the forms section.

I can't remember my parent portal password! What shall I do?

Go to the Parent Portal (<http://parent-dubai.nordanglia.com>) and there is a reset password option.

Will my child get their first choice of CCA?

NAS endeavour to be as inclusive as possible but there are some CCAs that, due to equipment and/or supervision, have to be limited in numbers e.g. cookery. This is why we ask for you to give a second choice. In the rare cases where this is not available then we will tell you the other options available.

If a CCA is oversubscribed then it will be a 'random selection' policy.

How will I know what CCAs my child has been given?

The deadline for submitting your CCA choices online is **9am on SUNDAY 14TH JANUARY.**

You will receive an email before the end by Thursday 18th January to inform you what your CCAs are.

Where do the children go for their CCA?

Years 1 and 2 are collected from their classroom and escorted to their CCA venue.

Years 3 – 11 will be told where to go by their class teacher.

Where do I collect my child from after their CCA at 4pm?

A list will be sent to all Primary parents as to where to collect their child from before the CCAs start.

My child has a sibling in Secondary who finished their CCA at 4:30pm. Can I leave them at school after their CCA finishes?

There is a late pick up available for younger children waiting for their Secondary sibling. Please contact the class teacher for this.

Who shall I contact if I have any other questions?

Please email CCA@nasdubai.ae
