He cares about the cleanliness of his hair and applies that in his life.
- I love my Family
To determine duties and rights of his family member.
- Surat Al-Kawther
Recites Surat Al-Kawther correctly and properly and explain the overall meaning of the holy verses.
- Treating friends and neighbors and shows some examples of good treatment.

Supporting at Home

The support at home aims to document the student's relationship with the Holy Quran as the first source of knowledge, behavior, values, taste and beauty in order to build a Quranic mentality and psychology, by continuing to read the Qur'an and considering the provisions of intonation (*tajweed*).

One of the key elements of this support is to implant the love of Prophet Muhammad "peace be upon him" in the heart of the student through the experience of the Prophet's biography, and to highlight the life of the Prophet (peace and blessings of Allah be upon him) as a good example and a role-model to follow.
