A look back at the week

The children have been very busy learning.

They enjoyed washing the animals.

At home

As we are continuing our learning about sea creatures, why not visit the beach and see what you find!

Reminders

We have noticed that many children are bringing in unhealthy options for their snacks during the day.

Please continue to check your child's hair for Nits and Lice.

Please use hair products bought from the Pharmacy as well as combing your child's hair with a Nit comb.

Next week we are learning:

- to sound out and blend CVC words
- to segment our spoken sounds
- to write simple sentences
- to count back
- to play games with subtraction
- to listen to the story "Shark in the Park"
- to retell the story
- to learn about sharks
- to make undersea snacks

Top tip:

We are continuing our learning about 'Animals'. Talk to your child about different animals. Look at different animals in books and on the internet.

Can you find a picture of it and bring it in to share with the class?
